Register

Register at the Main Library Information Desk, 1st floor, or by telephone at 310-412-5380. Registrations are first come, first served. Those registering will need to leave their name, phone number and Library Card number. If you do not register or are placed on the *Waiting List,* we cannot guarantee there will be space available as classes are limited to 10 students. Those wishing to attend classes need to be in the lab no more than five minutes after scheduled times. Except for the *Computers Basics* classes, users should be able to use a mouse and keyboard with some familiarity and should have a basic understanding of the Windows operating system.

Classes

Check the monthly class calendar to see if the class you want is scheduled.

Introduction to Computers. This class includes an explanation of the parts of a computer and simple tasks.
