131 PUBLIC HEARING HELD - HOUSING AND COMMUNITY DEVELOPMENT NEEDS FOR 1999-2000 CONSOLIDATED PLAN GRANTS. The City Clerk announced that the next scheduled matter was a public hearing to identify Housing and Community Development needs for 1999-2000 Consolidated Plan Grants, that notice of this hearing has been given in the time, form and manner as required by law, the affidavit was on file and one communication was received:

Sunstar Company, Inc.

900 W. Hyde Park Boulevard

Inglewood, CA 90302

The Deputy City Administrative Officer presented staff report dated May 4, 1999 submitting background information.

Mayor Dorn ordered the staff report dated May 4, 1999 and the letter received from SunStar Company Inc. received and filed.

Pat Way, Senior Planner, introduced Ms. Anna Rivero who would assist with Spanish interpretation if necessary.

Council Member Dunlap inquired if notices were placed in the water bills.

Ms. Way commented that notices were mailed in the majority of bills for the month of April, the beginning of the water cycle.

Ms. Way gave an overview of the three programs that make up the consolidated plan grants, Community Development Block Grant Program (CDBG), HOME Investment Partnership Act HOME) and the Emergency Shelter Grant (E.G.) and discussed the programs eligible and ineligible activities as indicated on the charts on display.

Council Member Fernandez left the Council Chambers at the hour of 9:40 p.m.

Mayor Dorn inquired if there were any persons present who wished to address the City Council on this matter.

Leroy Harris, INHS, encouraged continued support of the program and noted that the program improves the living conditions of the residents in Inglewood.

Mary Bueno, District 3, commented that in regards to the notice she received, she did not recall seeing it in Spanish. She recommended and requested that the 4 additional hearings to be held in June and July be noticed in Spanish as well, to receive contributions and ideas of residents.

No other persons wishing to address the City Council on this matter, Mayor Dorn declared the public hearing closed at the hour of 9:46 p.m.

Council Member Dunlap commented that residents of District 2 supported increased power in street lights so that streets can be safer. In addition, she requested that funds be set aside to allow for a 20 per cent match with FAA funds for sound insulation of homes in all areas of the City that qualify and are impacted. She requested that lighting of the basketball courts at Centinela Park be included and noted that new backboards and hoops were needed. She inquired about a program requiring redevelopment matching funds (the silent second program) and requested the Deputy City Administrative Officer to look into an area called "Executive Living" referred to in a brochure compiled by Geographics. Geographics is a company contracted with by the City to market the City. She noted that the area is community block grant eligible. Finally, she inquired about dates for upcoming hearings and copies of a survey for input.

Council Member Horton encouraged funds be used for programs that will build up individuals and assist them in acquiring the tools necessary in improving their standard of living, such as tutorial programs. In reference to the "Executive Living" project, he noted that the purpose of the area is to encourage executives to live there. In reference to the 20 per cent set aside, he commented that it is important that residents know that it encumbers their property and requested Ms. Way to point out those encumbrances. He noted that there are residents in District 1 who commented that they did not receive a notice.

Mayor Dorn commented that he hoped that the 20 per cent set aside would be considered for those who want to use it rather than signing avigation agreements and stressed the importance of every home owner knowing that before they use 20 per cent set aside what they will be doing to their home as far as encumbrances placed on it. He suggested that maybe a document should be signed in that regard to prevent future legal concerns. He expressed his support of tutorial programs and requested that funds be made available for some of the non-profit programs dealing with violence in the community. In conclusion, he commented that everything must be done to see that everyone is notified to give them the opportunity to have input on how funds are to be used.

Mayor Dorn ordered all input received and made a part of the file.
