Alternate: Gale McCall for Magnetisum, an outdoor sculpture of two oversized magnets proposed for the Civic Center campus.

B. Staff Report recommending the Arts Commission recommend to the Planning Commission approval of the Inglewood Park Cemetery Public Art Plan.

ARTS COMMISSION

Inglewood Park Cemetery proposes to apply the \$55,000 percent for art allocation to a commission of four (4) original stained glass windows for the Garden of the Chimes mausoleum addition. Lyn Goodman, artist in the Conrad Pinkel Studio, will create a set of four stained glass windows, each 8'3" x 11', with interior lighting; designed to complement existing stained glass in mausoleum. The total art expenditure is \$143,000, including fabrication, transportation from the Vero Beach, Florida studios, installation and California sales taxes. Developer will match and exceed the percent for art requirement.

C. Presentation by MSG Co. Forum consultant Barbara Goldstein regarding the MSG Forum Public Art Plan.

Recommendation: Recommend the Arts Commission approve the MSG Co Forum public art plan of approach to the integrated art and landscape design with artists Michael Massenburg and Gale McCall, BBB architects, and Mia Lehrer + Associates, landscape architect, to develop specific public art and landscape enhancements. The \$630,000 percent for art fee will be enhanced by the developer's funding of the public art consultant and landscape designer fees separately, and will leverage construction schedules and materials.
