

# CITY OF INGLEWOOD

## Office of the Mayor

**James T. Butts, Jr.**  
Mayor

### **My Fellow Inglewood Residents:**

Since re-opening the Fabulous Forum on January 14th of this year, Madison Square Garden has been a consummate community partner in the City of Inglewood. The Forum parking lot was not only refurbished to better-than-new condition, but also MSG has made it open to the public during non-event hours to use for walking and jogging. Access to our community and national icon will continue to provide a venue for safe and healthy exercise for our residents.

However, for safety reasons during the set up, storage of materials, and the production of the MTV Video Music Awards show to be held on August 24, 2014, the Forum lot will be closed from August 5<sup>th</sup> through August 27<sup>th</sup>. Of course, the sidewalks surrounding the Forum will still be available.

Thanks, and let's help maintain a safe environment during the production of this fantastic event that will undoubtedly shine the international spotlight (again) on our great City.

Sincerely,

**James T. Butts, Jr.**  
Mayor
