City of Inglewood – Sales Tax Update

During the 2006 November election, voters of the City of Inglewood approved a one-half percent retail transactions and use tax. The sales tax rate will increase to 8 ¾% beginning April 1, 2007. It is estimated that the tax will generate \$4,400,000 annually in additional revenue for the City, and it will be used to maintain and improve general City services, which includes public safety, parks and recreation services, street maintenance and other services. The new transactions and use tax must be charged on all tangible personal property that is delivered or placed into use within the Inglewood city limits.

If you are a Seller or a Purchaser, and need information about this new tax, contact the California State Board of Equalization, Local Revenue Allocation Unit at (916) 324-3000.
