## **GENERAL PROVISIONS**

The City of Inglewood, California hereby extends an invitation to submit a proposal in accordance with this RFP, to plan check services for the designated project: **PLAN CHECK SERVICES FOR HOLLYWOOD PARK CASINO RENOVATION AND ASSOCIATED IMPROVEMENTS.** *Furthermore the City makes no representation that any agreement will be awarded to any firm responding to this request.* There is no expressed or implied obligations for the City to reimburse responding firms for any expense incurred in preparing a proposal in response to this request. All information submitted to the City of Inglewood shall become property of the City and will be returned to the proposer solely at the City's option.

### **Section 1. PRICES**

The proposal shall state the total cost for the service as specified in this document.

### **Section 2. SUBMISSION OF PROPOSAL**

Proposals shall be enclosed in a sealed envelope, marked and addressed as directed. Proposers are to include one original (marked original) and eight (8) copies (marked copy), as well as one CD of their submittal.

If the proposal is made by an individual, it shall be signed and his full name and address shall be given; if it is made by a firm, it shall be signed with the co-partnership name by a member of the firm who shall also sign his/her own name and the name and address of each member shall be given; if it is made by a corporation, the name of the corporation shall be signed by its duly authorized officer or officers, attested by the corporate seal, and the names and titles of all officers of the corporation shall be given. No telegraphic proposal or telegraphic modification of the proposal will be considered.

Blank spaces in the proposal shall be properly filled. The phraseology of the proposal must not be changed and no additions shall be made to the items mentioned therein. Unauthorized conditions, limitations, or provisions attached to a proposal may cause its rejection. Alterations by erasure or interlineations must be explained or noted in the proposal over the signature of the proposer. Alternative proposals will not be considered unless specifically provided for in the proposal instructions. A proposer may withdraw their proposal before the hour fixed for opening proposals without prejudice to themselves by submitting a written request to the Purchasing Manager for its withdrawal and the proposal will be returned to him/her unopened.

No proposals may be withdrawn after the hour fixed for opening proposals. No proposal received after the time named or at any place other than the place stated in the Invitation to Submit Proposals will be considered. All proposals will be opened and declared publicly.

The proposal should be identified as follows :

Firms/individuals desiring to respond to the RFP shall submit an original and eight (8) copies as well as one CD of the proposal, marked on the outside of the envelope "**RFP FOR PROFESSIONAL BUILDING PLAN CHECK**". The proposal shall include the name of the respondent. In order to be considered, the proposals must be received by 3:00 p.m. (PDT), Thursday, July 15<sup>th</sup>, 2010, at 3:00 pm, submitted in a sealed envelope to the attention of John Jones, acting Building Official, City of Inglewood, One Manchester Blvd., Fourth Floor, Inglewood, CA 90301.

The City reserves the right to waive informalities in any proposal, to reject any or all proposals, to reject one part of a proposal and accept the other, except to the extent that proposals are qualified by specific limitations, and to make awards to the most qualified proposer as the interest of the City may require. Each firm is responsible for the timely delivery of any response. Additionally, the City will not be responsible for the delivery of any proposal to the wrong address or City department.

### **Section 3. PAYMENT TERMS**

Standard payment shall be made by City check.

### **Section 4. REQUEST FOR INFORMATION**

Firms shall include all information and documents to describe the vendor's experience.

### **Section 5. MOST QUALIFIED PROPOSER**

The City of Inglewood will select the best qualified consultant. Proposers are invited to submit a qualification submittal. Each submittal will be reviewed and graded based on the selection criteria described in this document. The City will short list three to five of the best qualified firms. Those firms will be invited to attend a mandatory conference and submit a lump sum fee for all plan check services outlined in the Scope of work in this RFP. Details of the selection process and selection criteria are described in later sections.

### **Section 6. INGLEWOOD BUSINESS TAX CERTIFICATE**

The vendor agrees to at all times during the performance of the agreement, obtain and maintain an Inglewood City Business Tax Certificate. The purchase of said Certificate must be made prior to the purchase of product and a copy forwarded to the Purchasing Division.

### **Section 7. SALES TAX (if applicable)**

The City of Inglewood is subject to the payment of sales tax. All suppliers will be required to include in your proposal/price RFP the City of Inglewood tax rate of 10.25%. If a proposer fails to include the City's tax rate in their proposal, the City will add the 10.25% figure to the proposal for evaluation purposes.

## **Section 8. INSURANCE REQUIREMENTS**

When a contractor does work under a City purchase order, the Department must have on file valid certificates of insurance and the required endorsements. The Department must submit the required certificates and endorsements to the City Clerk who will then forward the documents to the City Attorney's Office for review.

### **REQUIRED INSURANCE COVERAGES**

The contractor shall obtain and maintain at its expense, until completion of performance and acceptance by City, the following insurance placed with an insurer admitted to write insurance in California or a nonadmitted insurer on California's List of Eligible Surplus Lines Insurers (LESLI) and having a rating of or equivalent to A:VIII by A.M. Best Company:

- a. **Commercial General Liability**  
Commercial General Liability (equivalent in coverage scope to Insurance Services Office, Inc. (ISO) form CG 00 01 11 85 or 11 88) in an amount not less than \$1,000,000 per occurrence and \$2,000,000 general aggregate. Such insurance shall include products and completed operations liability, independent contractor's liability, broad form contractual liability, and cross liability protection. The "City of Inglewood, its officials, employees, and agents" must be separately endorsed to the policy as additional insureds on an endorsement equivalent to insurance Services Office, Inc. (ISO) forms CG 20 10 11 85 or CG 20 26 11 85.
- b. **Automobile Liability**  
Automobile Liability (equivalent in coverage scope to ISO form CA 00 01 060 92) in an amount not less than \$1,000,000 combined single limit per accident for bodily injury and property damage covering Auto Symbol 1 (Any Auto). If an automobile is not used in connection with the services provided by the contractor, the contractor should provide you with a written request for a waiver of this requirement.
- c. **Worker's Compensation and Employer's Liability**  
Worker's Compensation as required by the California Labor Code and Employer's Liability in an amount not less than \$1,000,000 per accident.
- d. **Professional Liability (Errors and Omissions)** \$1,000,000 per claim and \$2,000,000 aggregate.

### **REQUIRED INSURANCE DOCUMENTATION**

- a. **Certificate of Insurance**  
The contractor must provide you with a Certificate of Insurance evidencing the required insurance set forth above. The Certificate Holder must be the "City of Inglewood," and the Certificate Holder's address must be the address of your Department.
- b. **Endorsements**

In addition to the Certificate of Insurance, the contractor must provide the following endorsements:

- 1) **Additional insured endorsements to the general liability and auto liability insurance policies.** The "City of Inglewood, its officials, employees and agents" must be endorsed to the contractor's general liability policy as well as the auto liability policy as additional insureds on an endorsement equivalent to ISO forms CG 20 10 11 85 or CG 20 26 11 85.

**Cancellation notice endorsements.**

Each policy must be endorsed to provide that the policy shall not be cancelled or nonrenewed by either party or reduced in coverage or limits (except by paid claims) unless the insurer has provided the City with thirty (30) days prior written notice of cancellation (ten (10) days for cancellation due to nonpayment of premium is acceptable).

**Primary and noncontributory coverage endorsements.**

The general liability and (if required) professional liability policies must be endorsed to provide that each policy shall apply on a primary and noncontributing basis in relation to any insurance or self-insurance, primary or excess, maintained by or available to the City or its officials, employees and agents.

**WAIVER OR MODIFICATION OF THE INSURANCE REQUIREMENTS**

Any waiver or modification of the insurance requirements can only be made by the City Attorney's Office. All waiver or modification requests are reviewed on a case-by-case basis.

**Section 9. INDEMNIFICATION**

Vendor shall indemnify and hold harmless the City and its officers, employees and volunteers from and against all claims, damages, losses and expenses including attorney fees arising out of the performance of the work described herein, caused in whole or part by any negligent act or omission of the vendor, anyone directly or indirectly employed by any of them or anyone for whose acts may be liable, except where caused by the active, sole negligence, or willful misconduct of the City.

If any action or proceeding is brought against Indemnities by reason of any act of the matters against which consultant has agreed to indemnify Indemnities as provided above, vendor, upon notice from City, shall defend Indemnities at vendor's expense by counsel acceptable to City, such acceptance not to be unreasonably withheld. Indemnities need not have first paid for any of the matters to which indemnities are entitled to indemnification in order to be so indemnified. The insurance required to be maintained by Proposer under this section shall not limit the liability of the Proposer hereunder. The provisions of this section shall survive the expiration or earlier termination of the service agreement with the Proposer.

**Section 10. NON-DISCRIMINATION**

Labor Code 1735: Discrimination in employment because of race, color, etc.

No discrimination shall be made in the employment of persons at the City of Inglewood because of the race, religious creed, color, national origin, or ancestry, physical disability, medical condition, marital status, or sex of such persons except as provided in Section 12940 of the Government Code, and every vendor for the City of Inglewood violating this section is subject to all the penalties imposed for a violation of this chapter.

**Section 11. AWARD OF SERVICE CONTRACT**

Any contract resulting from this RFP will be awarded to a single firm whose pre-qualification submittal and price proposal meet the technical requirements of the RFP, and is evaluated as one of the three highest ranked proposals. Proposals will be ranked in accordance with the evaluation criteria stated in the RFP including a review of the pre-qualification submittal interview and lump sum fee proposals

**Section 12. EXECUTION OF AGREEMENT**

A proposer to whom award is made shall furnish all goods all in accordance with the provisions hereof and within the time stated in the proposal. If a proposer to whom an award is made fails or refuses to enter into the contract as herein provided or to conform to any of the stipulated requirements in connection therewith, an award may be made to the proposer

whose proposal is next most acceptable to the City. Such proposer shall fulfill every stipulation embraced herein as if he/she were the party to whom the first award was made. A corporation to which an award is made will be required, before the contract is finally executed, to furnish evidence of its corporate existence, of its rights to do business in California.

**Section 13. TERMINATION OF AGREEMENT**

The City may terminate the contract at its own discretion or when conditions encountered make it impossible or impracticable to proceed, or when the City is prevented from proceeding with the contract by law, or by official action of a public authority.

**Section 14. RIGHT OF CITY TO WITHHOLD PAYMENT**

The City may withhold or nullify the whole or any part of any payment due the vendor to such extent as may reasonably be necessary to protect the City from loss as a result of:

- A. Rejected work products not remedied in accordance with provisions of specifications;
- B. Claims or liens filed or reasonable evidence indicating probable filing of claims or

liens; Whenever the City shall, in accordance herewith, withhold any monies otherwise due the vendor, written notice of the amount withheld and the reasons therefore shall be given the vendor, and, when the vendor shall remove the grounds for such withholding, the City will pay to the vendor, within 35 calendar days, the amount that is so withheld.

#### **Section 15. COST PROPOSAL**

Present a fixed price proposal to provide all the services required in the RFP including fees and expenses. Provide a detailed cost breakdown.

Any costs incurred by Consultant which are not specifically provided for herein shall be identified as the expense of the Consultant. Any omissions or ambiguities will be construed most favorable to the City.

#### **Section 16. DURATION OF AGREEMENT**

The terms of this agreement will be a maximum of twenty-four (24) months after the Notice To Proceed.

#### **Section 17. CHOICE OF LAW/VENUE**

This agreement shall be interpreted, construed and governed according to the laws of the State of California. In the event of litigation between the parties, venue in state trial courts shall lie exclusively in the County of Los Angeles, Superior Court Southwest Division located at 825 Maple Avenue, Torrance, California, 90503-5058. In the event of litigation in the United States District Court, venue shall lie exclusively in the Central District, in Los Angeles

**RFP-0048**  
**PLAN CHECK SERVICES FOR HOLLYWOOD PARK CASINO**  
**RENOVATIONS AND ASSOCIATED IMPROVEMENTS**

**SCOPE OF WORK AND REQUIREMENTS**

**Introduction**

Hollywood Park is an energetic, mixed-use development featuring diverse neighborhoods and expansive common open space integrated with compact residential design. The property is located in the City of Inglewood at the northeast corner of Century Boulevard and Prairie Avenue and encompasses 238 acres that are currently utilized as the Hollywood Park Horse Racing Facility and the Hollywood Park Card Club (Casino). The new development will require the demolition of all facilities on the property with the exception of the Card Club (Casino). A curvilinear street system connecting the new community to the major streets bordering the site will be developed along with 25-acres of parks and 620,000 square foot retail/entertainment center, 2,995 residential units, 75,000 square feet of office uses, a 300-room hotel, with related meeting space and a four-acre Civic site. Hollywood Park is currently entitled with an EIR, Specific Plan, Vesting Tentative Tract Map No. 69906, a Development Agreement and an Owner's Participation Agreement.

**Background**

The plan check services solicited in the Request for Qualification/Proposal (RFQ/RFP) are for the Casino Renovation and Associated Improvements (Project). A Two Stage Selection Process for this RFQ/RFP is described in Section D. The Project is a part of the overall development of the Hollywood Park as described below.

**Phase A and Phase 1 Infrastructure**

Phase A of the Hollywood Park development is defined in the Development Agreement as the pre-development phase of the project which includes renovation of the casino, construction of a parking structure; Public Infrastructure including the relocation and construction of Los Angeles County Storm Drain lines 1805 between Century Boulevard and Arbor Vitae, partial construction of Los Angeles County Storm Drain Line 1823, and construction of various city sewer mains, city water mains, city storm drain, electrical utilities gas mains, telephone utilities and a new access way onto Century Boulevard. The attached exhibit shows the Hollywood Park Illustrative Site Plan (Exhibit 1)

## **Casino Renovation and Associated Improvements**

The plan check services solicited in this RFQ/RFP is for the Casino Renovation and Associated Improvements (Project) only. The plan check services associated with the public infrastructure and the remaining Hollywood Park site outside of the Project will be performed by others as separate services covered in the scope of this RFQ/RFP.

The Project includes the partial interior and exterior renovation of the existing Hollywood Park Casino of approximately 102,000SF, a new 3-level parking structure, the construction of new roads and adjacent surface parking, together with related landscape and site improvements. The existing casino building consists of approximately 68,000 SF of main level floor space, approximately 32,000 SF of basement level floor space, and a 4-level office/storage area of about 2,000 SF attached to the casino building. The Project site is approximately 13 acres within the project boundary as shown on the attached Casino Site Plan (Exhibit 2).

The casino will remain in operation during the construction of the Project and all work will be conducted in phases to minimize disruption to operations of the existing casino business, adjacent race track business, and the concurrent new construction surrounding the Project.

Approximately 40% of the interior space on the main level of the casino and approximately 10% of the basement level will undergo major renovation with new design including the demolition and new construction of interior improvements; and approximately 60% of the interior space on the main level and approximately 20% of the basement level will undergo minor remodeling with new finishes and minor new design features.

It should be noted that the existing casino building is currently connected to a 6 story Pavilion Building with a multi-level concrete rotunda ramp. Building utility services for the casino building are currently provided by the pavilion building and a standalone central plant building. The utility services for the buildings will be separated and new services for the casino will be established, and the Pavilion Building will be demolished.

The Project is more specifically described as follows:

- **Exterior Renovation and Additions**
  - The casino renovation includes the separation of the Casino Building from the Pavilion Building and the central plant (the existing Pavilion Building and central plant will be demolished)
  - Provide the casino with replacement of the affected building exterior skin after demolition

- New building utility services, transformer, and new central plant
  - New loading dock
  - Replacement of the existing west main entry and Porte Cohere with a new south main entry with a new Porte Cohere
  - New secondary and lateral utility and sewer lines. (Main lines will be designed and plan checked as part of the Infrastructure Project separately)
  - New 3-level parking structure
  - New private roads
  - New/Renovated surface parking
  - New landscape and site improvements
  - Other City Standards.
- Interior Renovations
    - Modify and/or replace building systems and services including mechanical, electrical, plumbing, security, life safety, low voltage system and the associated construction improvements to allow for a complete and operational facility.
    - Replacement of the existing VIP game room inside the Pavilion Building with a new VIP game room in the casino
    - Replacement of the existing kitchen and support facilities inside the Pavilion Building with a new kitchen in the casino
    - Interior remodeling for a 12,000SF off track betting program and flexible function areas
    - Relocation and new replacement of Asian Games and Top Poker Games
    - Demolition of the existing cage and replacement with a new cage at a new location
    - Refinish all existing areas inside the casino main floor
    - Remodeling or new addition of several front of house and back of house areas
    - Reallocation of the back of house offices and facilities
    - Other City Standards.

Refer to Exhibit 3 for a Project Design Analysis.

Review and provide advisory analysis of Plan Check, including review of plans and specifications related to accessibility for landscape and site work designs, facility designs, and path of travel development.

Consultant and its responsible professional staff assigned to the Project shall be licensed in the State of California as Civil Engineers or as Architects. Knowledge of State Title 24 Accessibility regulations is required.

### **5. Clarification on Scope of Plan Check Review for Renovation Project**

Refer to Exhibit 4 for a clarification of applicable scope of Plan Check Review for renovation and new addition versus existing conditions to remain.

### **6. Plan Check Services to be provided by Others**

City will provide compliance review of the Hollywood Park Specific Plan, Project Mitigation Requirements, Plot Plan review, Sustainability Check List, and Shared Parking Analysis.

Los Angeles County Fire Department will provide compliance review of fire sprinkler design and fire alarm design.

Los Angeles County Health Department will provide compliance review of kitchen and food/beverage service design.

Also refer to Exhibit 5 for a list of plan review services provided by other plan check consultants as a separate scope for the plan check of the public infrastructure design and

of the overall Hollywood Park project outside the project limit of the Casino Renovation and Associated Improvements.

## **7. Phasing of Plan Check Services**

Plan check services for the Project will be conducted in coordination with separate submittals of the design document as described below:

- Design submittals for the Project excluding the 3-level parking structure.
- Design submittals for the 3-level parking structure will be prepared and submitted by a separate design builder for the parking structure.
- It is anticipated that grading and foundation only plan check submittals as well as structural only plan check submittals for each of the above will be submitted as separate plan check packages ahead of the full building plan check submittal to facilitate early construction of grading/foundation and structural work prior to the completion of the full building design.
- Customary deferred plan check submittals such as stair design and curtain wall design.
- In addition, prior to submittal of plans for the full scope of all renovation work, Owner/Operator of Casino shall have the option to submit plans for an early phase of limited renovation work, of approximately 20,000 SF, it may undertake in the ordinary course of its business so long as such work does not materially deviate from scope and direction of full renovation plans. The existing Pavilion Building connected to the existing Casino Building and the existing Central Plant serving the existing Casino Building will remain during any such partial interior renovation of the existing Casino Building.
- City intends to invite 3 to 8 of the top qualified firms rated by the City to a job walk at the existing facility and to establish a fixed fee proposal for Plan Check Services. City shall have the sole discretion to determine the number of qualified firms to be included.

## **8. Time Schedule to provide plan check services**

Plan check review is anticipated to begin in September 2010 and end in approximately June 2012 including the review of deferred submittals (such as curtain wall design). This schedule may be adjusted as necessary by the City.

Consultant shall provide plan check review services expeditiously and within the time limits described below:

- a. Initial plan check of full design submittals – three weeks
- b. First recheck of full design corrections – two weeks
- c. Second and each subsequent recheck of full design corrections – one week
- d. Initial plan check of early submittals of grading and foundation design – two week
- e. Rechecks of grading and foundation design – one week
- f. Initial plan check of deferred plan check submittals such as stair design, curtain wall design, fire alarm system design, and fire sprinkler design – two weeks
- g. Rechecks of deferred plan check submittals – one week

## **9. The Plan Check Review**

- a. Consultant shall attend a conference with Building Official to address the following:
  - 1) discuss and confirm the City's plan check procedures and requirements to be followed prior to the plan check
  - 2) Consultant to acquire City's boiler plate documents and files as applicable
  - 3) Consultant to acquire an understanding of key issues
  - 4) Establish on-going operating procedures between City and the Consultant.
- b. Consultant shall attend a conference with the Developer and Design Team prior to the plan check of full design submittals to discuss procedures and answer any questions.
- c. For each plan check review, the Consultant shall develop a comprehensive Building Code Plan Check Report of items found at variance with applicable codes. This report shall be presented in letter format itemizing each correction note referencing sheet number and grid lines location.
- d. Consultant shall perform up to three rechecks of the revised plan check submittal to establish that the revised submittal resolves initial plan check comments.
- e. The Consultant shall designate a Lead Professional serving as a single Point of Contact to work with the City and coordinate the various reviews between the various City departments, the Developer, and designers as needed. This Lead Professional shall coordinate with the City staff to obtain project guidelines and requirements such as current Conditions of Approval, Specific Plan and Mitigation Monitoring Plan for the development. This Lead Professional shall also be responsible for implementing a uniform standard and procedure as required by the City for all services provided by the Consultant. This Lead Professional shall maintain a submittal record log, plan check/review report log, and other reports as needed.

- f. Consultant shall be available to communicate via email and telephone with Building Official and designers of any questions and coordination issues.
- g. Upon satisfactory resolution of plan check comments, the Consultant, in coordination with City's procedures, shall:
  - 1) Prepare and issue a Recommendation of Approval letter confirming the Consultant's opinion of code compliance
  - 2) Stamp the construction document package
  - 3) Provide an original signature and date below this stamp
  - 4) Indicate on the cover sheet any deferred submittals plan check reviews required prior to the completion of construction.

#### 10. **Applicable Building Codes**

Notwithstanding any code year building codes referenced in this RFP, all design and plan check shall follow the prevailing California Building Codes as amended by the City of Inglewood.

### **SECTION D: RFQ/RFP SELECTION PROCESS AND CRITERIA**

#### 1. SELECTION PROCESS

The City of Inglewood will select a consultant in a two stage process: In Stage One, proposers are invited to submit a qualification submittal. Each submittal will be reviewed and graded based on the selection criteria described below. The City will short list three to five of the best qualified firms to enter Stage Two. In Stage Two, the short listed best qualified firms will be invited to attend a mandatory job visit and conference, and to submit a lump sum fee for all plan check services outlined in the Scope of Work in this RFQ/RFP. An FTP web site will be established to provide project information such as preliminary plans and additional RFQ/RFP information. The City may interview the final candidates prior to awarding the service contract.

#### 2. QUALIFICATION CRITERIA FOR SHORT LIST

The City of Inglewood will evaluate consultants on the basis of qualifications and experience based on the following criteria:

### **Clarification on Scope of Plan Check Review for Renovation Project**

The developer has estimated that approximately 50% of the interior space on the main level of the casino and approximately 10% of the basement level will undergo major renovation with new design including the demolition and new construction of interior improvements; and approximately 50% of the interior space on the main level and approximately 20% of the basement level will undergo minor remodeling with new finishes, equipment fixtures, and new architectural design features.

Generally, all new addition and major renovation shall conform to current codes. All remaining areas unaffected by the new addition and major renovation, as well as existing construction in areas undergo minor remodeling with new finishes will not be required to upgrade to current codes.

The following are more detail clarifications of applicable scope of Plan Check Review for renovation and new addition versus existing conditions to remain. Notwithstanding, any code year referenced herein, the prevailing codes shall be used.

#### 1. Architectural and ADA

- a. All new exterior construction including Porte cohere, an architectural exterior studio wall, entry, loading dock, mechanical yard screen wall, exterior stair case access roads, surface parking, site improvements will be designed and plan checked against 2007 CBC as amended by City of Inglewood.
- b. A portion of new building exterior wall at the north east portion of the building (to cover the building exterior facing to the old connecting pavilion building that will be removed) will be designed and plan checked against 2007 CBC as amended by City of Inglewood. New Title 24 energy calculation will not be required. Remaining existing exterior wall and roof not affected by renovation will remain as is.
- c. A new kitchen and new interior construction comprising of approximately 40% of the existing interior areas receiving major renovation will be designed and plan checked per 2007 CBC as amended by City of Inglewood.
- d. Existing restrooms will have lowered countertops in conformance with State of California Title 24 accessibility regulations.
- e. All existing construction in remaining areas unaffected by the new addition and major renovation, as well as areas undergo minor remodeling with new finishes will not be required to upgrade to current codes.

#### 1. Structural and Foundation

- a) Perform structural plan check per CBC 2007 as amended by City of Inglewood including the following:
  1. New structural additions including Porte cohere, studio wall, new

exterior retaining walls, new exterior staircase, new loading dock and equipment pads, supporting foundations for the new additions, and new partial interior raised floor of 2' high.

2. Replacement and addition of new building exterior wall at the north east portion of the building to provide enclosure over the length where interface with the connecting Pavilion Building to be demolished. (Remaining existing exterior wall and roof not affected by renovation will remain as is.)

3. A small four level building section consisting of elevator shaft, staircase, and small office/storage space will remain connected to the casino building after demolition of the existing Pavilion Building. Review associated structural modifications and impacts.

b) The existing structural system for the Casino building is not anticipated to be changed or impacted by the renovation and will remain intact.

c) Review Soil Report for foundation design for new structural additions. Existing building foundation construction will remain as is.

## 2. Mechanical, Electrical, and Fire Life Safety

a. Fire Sprinkler – will be upgraded based on the current code of 2007 CFC and 2007 CBC.

b. A new fire alarm system will be designed and plan checked per 2007 CBC as amended by City of Inglewood.

c. New site lighting will be designed and plan checked per 2007 CBC as amended by City of Inglewood. This will meet the T 24 exterior lighting compliance

d. New electrical service, additional electrical transformer, switchgears, and panels, emergency generator, and new central plant will be designed and plan checked per 2007 CBC as amended by City of Inglewood.

e. Existing Air Handling Units, associated ductwork and distribution will remain unchanged. The upcoming renovation only involved small/ minor ductwork re-routed with revised air distribution to suit the new programmed space. No additional AC units will be added.

f. A new kitchen and new interior construction comprising of approximately 40% of the existing interior areas receiving major renovation will be designed and plan checked per 2007 CBC as amended by City of Inglewood. New kitchen hoods will be added along with new makeup air supply units at the kitchen based on 2007 CMC and CBC, new plumbing fixtures and floor sinks will be added based 2007 CPC

g. The existing interior MEP systems will be kept for the remaining interior areas that will receive new finishes only.

h. New Title 24 energy calculation will not be required.

## 3. Elevators

a. One elevator travel and shaft will be reduced in height. Modifications will be reviewed and plan checked.

b. Rest of existing elevators will remain unchanged.

## 4. New parking structure

a. A new 3 levels parking structure will be designed and plan checked against 2007 CBC as amended by City of Inglewood.

5. Site work

- a. New private roads, surface parking, landscape, and site work will be designed and plan checked in conformance with current codes.

## **EXHIBIT 5**

### **Plan Check Services to be provided by Other Plan Check Consultant**

1. The City of Inglewood, its officers, officials, employees and volunteers are to be covered as insureds with respect to liability arising out of automobiles owned, leased, hired or borrowed by or on behalf of the Consultant; and with respect to liability arising out of work or operations performed by or on behalf of the Consultant including materials, parts or equipment furnished in connection with such work or operations. General insurance, liability coverage can be provided in the form of an endorsement to the Consultant's insurance, or as a separate owner's policy (CG 20 10 11 85).
2. For any claims related to this project, the Consultant's insurance coverage shall be primary insurance with respect to the City, its officers, officials, employees and volunteers. Any insurance or self-insurance maintained by the City, its officers, officials, employees or volunteers shall be in excess of the Consultant's insurance and shall not contribute to it.
3. Each insurance policy required by this clause shall be endorsed to state that coverage shall not be canceled by either party, except after thirty (30) days prior written notice has been given to the City by certified mail, return receipt requested.
4. Coverage shall not extend to any indemnity coverage for the active negligence of the additional insured in any case where an agreement to indemnify the additional insured would be invalid under Subdivision (b) of Section 2782 of the Civil Code.

**Acceptability of Insurers**

Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A:VII if admitted. If pollution and/or Asbestos Pollution and/or errors and omissions coverages are not available from an "Admitted" insurer, the coverage may be written by a non-admitted insurance company. A non-admitted company should have an A.M. Best's rating of A:X or higher.

///

1 **Verification of Coverage**

2 Consultant shall furnish the City with original certificates and amendatory  
3 endorsements affecting coverage required by this clause. All certificates and  
4 endorsements are to be received and approved by the Inglewood City Attorney's Office  
5 before work commences. The City reserves the right to require complete, certified copies  
6 of all required insurance policies, including endorsements effecting the coverage required  
7 by these specifications at any time.

8 **Subcontractors**

9 Consultant shall include all subcontractors as insured under its policies or shall  
10 furnish separate certificates and endorsements for each subcontractor. All coverages for  
11 subcontractors shall be subject to all of the requirements stated herein.

12 **ARTICLE 8 - INDEMNIFICATION**

13 Consultant shall indemnify and hold harmless the City and its officers, employees  
14 and volunteers from and against all claims, damages, losses and expenses including  
15 attorney fees arising out of the performance of the work described herein, to the extent  
16 caused in whole or in part by any negligent act or omission, recklessness or willful  
17 misconduct of the Consultant, any subcontractor, anyone directly or indirectly employed by  
18 any of them or anyone for whose acts any of them may be liable, except where caused by  
19 the active negligence, sole negligence, or willful misconduct of the City.

20 If any action or proceeding is brought against Indemnitees by reason of any of the  
21 matters against which Consultant has agreed to indemnify Indemnitees as provided above,  
22 Consultant, upon notice from the City, shall defend Indemnitees at Consultant's expense  
23 by counsel acceptable to the City, such acceptance not to be unreasonably withheld.  
24 Indemnitees need not have first paid for any of the matters to which Indemnitees are  
25 entitled to indemnification in order to be so indemnified. The insurance required to be  
26 maintained by the Consultant under this Article shall ensure Consultant's obligations under  
27 this section, but the limits of such insurance shall not limit the liability of the Consultant  
28 hereunder. The provisions of this Article shall survive the expiration or earlier termination

1 of this Agreement.

2 **ARTICLE 9 - RELATIONSHIP OF PARTIES**

3 No Agency relationship between the City and the Consultant is intended or created  
4 by this Agreement. The Consultant is not authorized and shall not at any time or in any  
5 manner represent that it is an agent, servant or employee of the City, it being expressly  
6 understood that the Consultant is and at all times shall remain a wholly independent  
7 Consultant.

8 **ARTICLE 10 - NON-ASSIGNABILITY**

9 The expertise and experience of the Consultant are material considerations for this  
10 Agreement. The City has an interest in the qualifications and capability of the Consultant  
11 which will fulfill the duties and obligations imposed under this Agreement. In recognition  
12 of that interest, the Consultant shall not assign or transfer this Agreement or any portion  
13 of this Agreement or the performance of any of the Consultant's duties or obligations under  
14 this Agreement without the prior written consent of the City. Any attempted unauthorized  
15 assignment shall be ineffective, null and void, and shall constitute a material breach of this  
16 Agreement entitling the City to any and all remedies at law or in equity, including summary  
17 termination of this Agreement. The Consultant shall not assign any interest in this  
18 Agreement and shall not transfer any interest in the same whether by assignment or  
19 novation, without prior written approval of the City.

20 **ARTICLE 11 - BOOKS AND RECORDS**

21 Consultant shall maintain any and all documents and records demonstrating or  
22 relating to Consultant's performance of services pursuant to this Agreement. Consultant  
23 shall maintain any and all ledgers, books of account, invoices, vouchers, canceled checks  
24 or other documents or records evidencing or relating to work, services, expenditures and  
25 disbursements charged to City pursuant to this Agreement. Any and all such documents  
26 or records shall be maintained in accordance with generally accepted accounting principles  
27 and shall be sufficiently complete and detailed so as to permit an accurate evaluation of the  
28 services provided by Consultant pursuant to this Agreement. Any and all such documents

1 or records shall be maintained to the extent required by laws relating to audits of public  
2 agencies and their expenditures.

3 **ARTICLE 12 - AUDIT**

4 Consultant shall maintain any and all records or documents pursuant to this  
5 Agreement, and the same shall be made available for inspection, audit and copying, at any  
6 time during regular business hours, upon written request by City or its designated  
7 representatives. Copies of such documents or records shall be provided directly to the City  
8 for inspection, audit and copying when it is practical to do so; otherwise, unless an  
9 alternative is mutually agreed upon, such documents and records shall be made available  
10 at City's address indicate on receipt of notices in this Agreement.

11 **ARTICLE 13 - OWNERSHIP OF DOCUMENTS**

12 All documents provided by the City to the Consultant to assist in the provision of the  
13 services contemplated by this Agreement, as well as all documents prepared, developed  
14 or discovered by the Consultant in the course of providing any services pursuant to this  
15 Agreement including but not limited to plans, drawings, sketches, original studies, surveys,  
16 reports, data, notes, computer files, files and all other documents are and shall remain the  
17 sole property of the City and may be used, reused or otherwise disposed of by the City  
18 without the permission of the Consultant. Upon completion, expiration or termination of this  
19 Agreement, the Consultant shall give the City all such documents, including but not limited  
20 to plans, drawings, sketches, original studies, surveys, reports, data, notes, computer files,  
21 files and all other such documents. All plans and specifications prepared under this  
22 Agreement shall become the property of the City upon completion of the work or  
23 termination of the Agreement.
