

In accordance with the requirements of AB 987, passed by the California State Legislature, a worksheet describing existing, new and substantially rehabilitated housing developed or otherwise assisted with moneys from the Low and Moderate Income Housing Fund, including units counted to meet inclusionary and replacement housing obligations, is posted below for public review. Please be aware that this is only a record of affordable housing that has been assisted with Low and Moderate Income Housing Funds; it is not a listing of currently available housing. This database is updated once annually.
