

Energy Upgrade California and Water Reliability 2020 FREE WORKSHOP FOR INGLEWOOD HOMEOWNERS

DOLLAR\$ will be available for homeowners in the South Bay to upgrade their homes for energy and water efficiency. Through Energy Upgrade California in Los Angeles County, homeowners who complete qualifying energy-saving home upgrade projects can receive **rebates and incentives of up to \$4,500**. With a variety of improvement options, homeowners can increase their home's energy efficiency *and* reduce monthly utility bills.

Water is something we all take for granted, yet the South Bay is faced with a challenging water situation. Water Reliability 2020 is a program that focuses on reducing the South Bay's dependence on imported water from 66% today to 33% by 2020.

Please join the **City of Inglewood** and the **South Bay Environmental Services Center** to learn more about how you can maximize your investment by making your whole house more energy and water efficient and how you can participate in Water Reliability 2020.

Free CFL bulbs for those in attendance.
