## **OPERATION CLEAN SWEEP HELPS RESIDENTS SPRING CLEAN** *Free Curbside Pickup of Bulky Items for Inglewood Residents*

**Inglewood, CA; April 1<sup>st</sup>, 2008** - Operation Clean Sweep dates have been scheduled for five consecutive Saturdays in Inglewood, beginning April 5<sup>th</sup> and ending May 3<sup>rd</sup>, 2008. Clean Sweep Day depends on residents' regular pick up day. For reference, a schedule is provided below.

On their scheduled Clean Sweep day, residents can place at the curb any amount of old, worn out, or unwanted items, including small pieces of furniture. Acceptable items include furniture, appliances, and trash. Tree trimmings and branches must be tied and bundled. Non – acceptable items include any hazardous material and any item that would require more than two people to handle (couches and other large pieces of furniture cannot be accommodated).

The City's acting Environmental Services Manager Angela Williams explains, "Clean Sweep is a great way to help Residents spring clean. We just ask that residents not place items out before or after their scheduled date."

<b><u>Residential Service</u></b>	<b><u>DayClean Sweep Date</u></b>
Monday	Saturday, April 5 <sup>th</sup>
Tuesday	Saturday, April 12 <sup>th</sup>
Wednesday	Saturday, April 19 <sup>th</sup>
Thursday	Saturday, April 26 <sup>th</sup>
Friday	Saturday, May 5 <sup>th</sup>

"Waste Management is very glad to partner with the City of Inglewood in this effort to clean up residential neighborhoods in the City," said Susan Moulton, Public Sector Services Director for Waste Management. "Of course, we ask all residents to Think Green and make sure that before they put their items at the curb for us, donate any unwanted items that may still be useful."

In Inglewood, local donation drop off locations include:

Goodwill Industries  
6933 La Tijera Blvd  
Los Angeles, CA 90045  
Phone: (310) 337-9004

Salvation Army  
324 E Queen St  
Inglewood, CA 90301  
(310) 677-3375

*Waste Management is the leading provider in comprehensive waste and environmental services and has pioneered environmentally smart ways to manage the 4.5 pounds of trash Americans produce every day. Its landfills provide more than 16,000 acres of protected land for wildlife, and 15 of certified by the Wildlife Habitat Council. Find out more at [www.thinkgreen.com](http://www.thinkgreen.com)*
