**Subject:** Monorail project

I am a resident of Inglewood and have been living here for 7 years now. I believe that if the monorail was to be created it will allow more job openings for the people in the community. The transportation for tourists and other people would be much easier for travel when coming in from the airport or out of town. This will create less traffic for Inglewood. People can leave their vehicles at the stations and catch the trains to the monorail. So in conclusion, I am saying yes to monorail development

**Subject:** Transit people mover

To the city of Inglewood and to whom it may concern. Me being a resident and living here for the last 7 years, I am very impressed with the new upgrades and projects in this city. The people mover/monorail will be a great asset providing transportation for our community to get from the trains, to shops, and both stadiums. I am very supportive of this new project because it will provide jobs in the future for our community.

P.S. I am on board for support

**Subject:** Inglewood Transit Connector Public Comment

To the Inglewood Planning Commission,

As chairperson of the Economic Empowerment Committee for the Inglewood Pacific Chapter of the Links Incorporated, this is an essential project for the community. It will provide employment opportunities for the local residents and those who do business in the area. As experienced during the Superbowl and for future events, the need to decrease traffic and pollution is crucial for the continued growth of the City.

Thank you for your consideration,

Rhena Smith  
Inglewood Pacific Chapter  
The Links, Incorporated.

**Subject:** proposed Inglewood Connector Project

I am a resident of Inglewood writing to support the proposed Inglewood Transit Connector Project. As a resident of Inglewood within walking distance of Sofi Stadium and Forum, there is a definite need to decrease traffic and pollution for the continued growth of the City of Inglewood. The Transit Connector Project will provide employment opportunities for local residents and those that do business in the area.

Thank you.

INGLEWOOD TRANSIT CONNECTOR PROJECT AREA AND TO WHOM IT MAY CONCERN:

I HAVE BEEN A PROPERTY AND BUSINESS OWNER IN THE CITY OF INGLEWOOD FOR THE PAST 30 YEARS. I HAVE BEEN APART AND IMPACTED BY THE INGLEWOOD EXPERIENCE.

I HAVE RECENTLY BEEN INFORMED ABOUT THE PROPOSAL FOR A TRAM LINKING THE METRO LINE AND THE SO-FI STADIUM. I AM LOCATED AT 808 E. MANCHESTER BLVD. NEXT DOOR TO THE MANCHESTER/PRAIRIE INTERSECTION, I HAVE CONCERNS ON IMPACT TO MY PLACE OF BUSINESS.

1. WHAT WILL BE THE NEGATIVE IMPACT DURING CONSTRUCTION?
2. HOW WILL THE TRAM AFFECT THE STREET VISABILITY OF MY PROPERTY?
3. HOW WILL INCREASED TRAFFIC AFFECT MY BUSINESS?
4. WHAT IF ANY PLANS EXIST FOR MY PROPERTY BY THE CITY OF INGLEWOOD?
5. ARE THERE FUNDS AVAILABLE FOR BUSINESS AND PROPERY OWNERS?

Good afternoon!

Can you please provide an updated schedule for the Inglewood Transit Connector project? When is right of way acquisition scheduled to begin?

Sincerely,  
Brittney Poppell

I am the property owner at 612-614-620 E. Manchester Blvd., Inglewood. I have the following questions as your project information does not answer specific questions to the business/property owners in the immediate area.

Please answer the following:

1. is my property in the path for imminent domain?
2. Is the auto repair property to the west of my property being affected with the maintenance station going on the Von's property?
3. Will the side street "E. Spruce Ave." still exist?
4. Will the construction of the people mover close the front of my building?
5. Will the tenants have access to the rear parking?
6. Is there compensation for business interruption? Loss of tenants?
7. Will the utilities be affected?
8. Is there a scematic of what is being constructed in front of my property?
9. How many lanes will exist after the construction on Manchester.

I would appreciate these questions being answered or you can call me at 310-373-2086

To Whom This May Concern-

I'm trying to learn more about the transit connector and was told there may be some type of vote in the coming weeks. Can someone please contact me? I'd like to hear how the connector will change and help the city I work in. Thank you!
