Thompson, to be held on Saturday, May 6, 2023, from 9:00 a.m. to 2:00 p.m., at the Inglewood Senior Center, located at 111 North Locust Street, Inglewood, CA 90301.

**BACKGROUND/DISCUSSION:**

On June 18, 2022, the City Clerk, Aisha L. Thompson, and I held our 1<sup>st</sup> Women Rock Empowerment Summit. The inaugural Women Rock Empowerment Summit 2022 was received with much enthusiasm and described as "powerful, motivational, empowering, and phenomenal." Women's empowerment is necessary for the development and sustainability of a strong and capable community and for enhancing the quality of life for all citizens. Many families still face uncertain futures and are often forced to make tough quality-of-life decisions regarding caring for themselves and their families. Women's empowerment and achieving gender equality are essential for our families and our community to ensure the growth and well-being of their loved ones. This year's event will build on success and provide a day filled with topics of the utmost importance to women as we navigate through 2023.

This free event is open to all women in the City of Inglewood. It will consist of powerful and informative empowerment workshops on various topics, a keynote speaker, and appearances by the Inglewood Mayor and City Council Members.
