DATE: December 11, 2018

TO: Mayor and Council Members

FROM: Public Works Department

SUBJECT: Ordinance No. 19-03 - Amendment of Permit Parking District No. 12

RECOMMENDATION:
It is recommended that the Mayor and Council Members adopt Ordinance No. 19-03 amending the Inglewood Municipal Code (IMC) to amend Parking Permit District No. 12 by adding the following streets: Hillcrest Boulevard (between Aviation Boulevard and South Hindry Avenue); Isis Avenue (between Florence Avenue and Manchester Boulevard); Isis Avenue (between 610-feet south of Manchester Boulevard and Hillcrest Boulevard); Hindry Avenue (between Florence Avenue and Manchester Boulevard) Hindry Avenue (between 610-feet south of Manchester Boulevard and Spruce Avenue).

BACKGROUND:
There are currently seventeen (17) permit parking districts in the City of Inglewood (City); sixteen (16) are residential, and one (1) is commercial. The purpose of business permit parking districts is to assure the availability of some on-street parking spaces fronting local businesses for business owners and to be available to staff who would otherwise lack adequate on-street parking or who have to feed the parking meters daily. The lack of adequate on-street parking, in this instance, is attributable to the presence of meters during working hours.

DISCUSSION:
An ordinance amending the Inglewood Municipal Code (IMC) to amend Permit Parking District No. 12 is authorized when compliance with the procedures and criteria outlined in IMC Section 3-76 are met.

Resolution No. 18-02, adopted by the Parking and Traffic Commission on September 26, 2018, affirms compliance with the requirements of IMC Section 3-76 (Attachment No. 1). The attachment includes a map and the property addresses (Attachment No’s. 2 and 3) proposed for inclusion into Parking Permit District No. 12.

At the City Council Meeting on November 13, 2018, the Mayor set the public hearing for December 4, 2018.

On December 4, 2018, a public hearing was held on this matter and Ordinance No. 19-03 was introduced.
FINANCIAL/FUNDING ISSUES AND SOURCES:
The estimated costs associated with the purchase and installation of signage to establish the District is $2,500. Sufficient funds exist in account code no. 060.060.6078.45609 (Gas Tax Fund, Public Works, Gas Tax Maintenance/Street Gas Tax-Street Related Cost) to pay for the expense. Upon establishment, businesses may obtain a business parking permit for one vehicle that each employee uses for work or to commute to work at the cost of $100.00 per permit for a period of one year or $50.00 semi-annually from July thru December. Permits are associated with a license plate and are non-transferable between vehicles.
