## OFFICE OF THE CITY MANAGER

**DATE:** November 5, 2019

**TO:** Mayor and Council Members

**FROM:** Human Resources Department

**SUBJECT:** Approve Fiscal Year 2019-2020 Updated Salary Ordinance

---

**RECOMMENDATION:**

It is recommended that the Mayor and Council Members introduce the attached Updated Salary Ordinance for Fiscal Year 2019–2020.

**BACKGROUND:**

The City adopts a Salary Ordinance each fiscal year to provide authority to continue to pay the salaries in effect, implement salary modifications agreed to pursuant to the collective bargaining process, implement adjustments to existing classifications (e.g., titles and range changes), and/or add new classifications.

As departments frame their recommended fiscal year budgets for City Council approval, staffing is examined to determine if the current allocation is adequate to carry out the departments' mission and objectives.

In conducting classification studies, the Human Resources staff is charged with examining employees' existing duties versus proposed duties (if applicable), reviewing recruitment history for varying job classifications, and comparing internal classification relationships, salary alignments, and proper titles to the relevant labor market in making recommendations to enhance employee recruitment and retention.

**DISCUSSION:**

The Salary Ordinance references Exhibits A through I. The exhibits detail each classification code, title, minimum and maximum pay range, and the associated dollar amounts of these minimums and maximums.

The following tables summarize of the classifications that have been modified for Fiscal Year 2019-2020, since the current salary ordinance was approved on September 17, 2019. Only those positions recognized in the tables below will be revised.
