**INGLEWOOD POLICE TEDDY BEAR**

In 2001, the Inglewood Police Department's Explorer Post 651 dedicated their first stuffed teddy bear "Edition 2001" as a fundraiser for their activities. The Police Explorer Program trains young men and women between 14 years and 18 years of age today for the future in the field of law enforcement of tomorrow. Many of our young Explorers have gone on to become Police Cadets (18-23 years) and over 20 of our Police Officers were either in or both of these programs.

After selling out the 2001 Special Edition bears, a Second Edition of our teddy bear line came out in 2003, bearing an embroidered Police patch in front and a "Making The Difference" stitching in back. These bears are still available for \$6.00 each, and all proceeds go directly into the Police Explorer Post 651 fund. If you are interested in purchasing a bear or joining the Explorer Program, please contact the below listed number.
