WARNING

Amazingly, many people harbor the idea that a bullet fired straight up into the air is harmless. Some people even believe that the BULLETS DISSOLVE IN THE AIR OR THEY FLOAT BACK TO EARTH. NOTHING COULD BE FARTHER FROM THE TRUTH. In fact, the BULLETS will FALL BACK to earth with enough velocity to PENETRATE THE ROOFS OF HOMES AND VEHICLES, AND KILL.

Unfortunately every year Inglewood residents are seriously injured by bullets that were shot in this foolish manner. Not only is it EXTREMELY DANGEROUS to shoot guns in our City, but it is also in VIOLATION OF STATE AND CITY LAWS. If you shoot firearms in the

City of Inglewood you will be arrested and all local, state and federal laws will be strictly enforced.

The Inglewood Police Department is urging all concerned citizens and community leaders to join with us in persuading all the members of our City to not celebrate any holiday or festive occasion by endangering themselves, their loved ones, and neighbors by indiscriminately firing guns.

IF YOU SEE ANYONE DOING THIS. PLEASE CALL THE INGLEWOOD POLICE DEPARTMENT AT 412-8771
