## OfferUp Community MeetUp Spot

Inglewood, CA – OfferUp and the Inglewood Police Department are working together to support local buyers, sellers and the community. The Inglewood Police Department has set up its designated Internet Purchase Exchange Location as a place for buyers and sellers to meet.

The location is the Inglewood Police Department Lobby located on the first floor of the Police Station at 1 West Manchester Boulevard, Inglewood, CA 90301. The exchange can occur during police station lobby business hours of Monday–Saturday from 9am–9pm. The OfferUp Community MeetUp Spot will help eliminate the need for strangers to exchange items at a home or residence. Having a designated public space to conduct a transaction can help deter criminal intent and activity.

Throughout the country, millions of local item exchanges happen every day in our communities. OfferUp understands that successful buying and selling experiences rely on trust, so they created the Community MeetUp Spots Program to help ensure both buyers and sellers can conduct in-person transactions with more peace of mind.

Community MeetUp Spots are designated areas for buyers and sellers from online and mobile marketplaces to meet in-person and complete a transaction. This program is free to Law Enforcement and combines the company's efforts around safety education and awareness. OfferUp works with an extensive network of more than 700 law enforcement agencies throughout the US to minimize crime and promote safer practices for online transactions.
