OFFICE COMMENTS:

WHAT YOU SHOULD KNOW ABOUT RESIDENTIAL PARKING PERMITS

Attached is your application for residential parking permits which allows the permit holder to park in the residential permit district marked in the upper-right of this application. Incomplete applications cannot be accepted. **All outstanding Inglewood parking citations must be paid before permits will be issued.** Permits are not required if vehicles display a disabled placard or plates. No mail-in applications will be accepted. Take completed application and required documentation to Inglewood City Hall at the address on the front of this form.

PARKING PERMITS AND FEES

The cost of each permit is \$5.00 for residents. A maximum of 4 residential parking permits can be sold per permit address. Non-resident property owners must pay \$25 for a permit. Only 1 non-resident property owner permit can be sold per residential property. All fees are nonrefundable. **IMPORTANT: Please make check or money order payable to "City of Inglewood". Permits issued under unfunded checks or money orders will be invalidated and a \$25 returned check fee will be assessed.**

- **REPLACEMENT PERMIT:** There is a \$25.00 replacement fee for lost, stolen, or replacement permits for vehicles that have been sold.

REQUIRED DOCUMENTATION FOR PERMITS

VALID DRIVER'S LICENSE: If expired and the driver's license has been extended, include the DMV certificate of renewal.

VEHICLE REGISTRATION: A copy of vehicle's valid registration card is required even if the applicant is not the registered owner. If you use a vehicle registered to another party, (i.e., parent employer), you must complete the vehicle affidavit section below and provide a copy of the vehicle registration card.

RECENTLY PURCHASED VEHICLES: Can be issued a residential parking permit by submitting a copy of "Purchase Agreement/Contract" in place of DMV registration card. Permit is issued to the last four digits of the vehicle identification number when a license plate number is not yet available. Permit will not be replaced even after receiving license plates from DMV and will remain valid until end of permit year. If the permit is lost or stolen, a replacement permit must be purchased using a vehicle license plate number.

PROOF OF RESIDENCY, TENANCY, OR PROPERTY OWNERSHIP: Please provide a copy of one of the following documents showing applicant's name, qualifying address, and date: light bill, gas bill, or lease agreement.
