 IN COLLABORATION WITH **A Toast 2 Artistry** PRESENT

# “Creative Health Art Classes”

**A Toast 2 Artistry** offers art classes taught by Professional Artists to people with little to no art/painting experience. Classes are geared toward helping people express and expand their creative abilities while learning an array of Art Techniques. Our company specializes in instruction for children and adults. Our program fosters creative growth, strengthens memory, helps to build problem solving and motor skills, offers stress relief, promotes optimistic attitudes and nurtures emotional growth. Through our program participants will learn everything from Intro to Drawing and Painting, Shading, Lighting and More.
