

CITY OF INGLEWOOD

OFFICE OF THE MAYOR

James T. Butts, Jr.
Mayor

Date: MARCH 15, 2020

To: ALL PERSONNEL

From: MAYOR JAMES T. BUTTS

Subject: PROTECTIVE MEASURES – CORONAVIRUS (COVID-19)

In light of the evolving concerns of the Novel Coronavirus (COVID-19) and the Governor's direction on mass gatherings, the City of Inglewood is taking the following steps to ensure the health and safety of our community and our employees.

Effective Monday, March 16, 2020, the City of Inglewood will implement the following initial actions through March 31, 2020.

CITY FACILITIES

1. Public access to City Hall will be by APPOINTMENT ONLY, except for City Council Meetings, which may be modified to meet social distancing and teleconferencing recommendations specified in the Governor's Executive Order (N-25-20).
2. The public is directed to call (310) 412-5111 for information on how to access public counter services.
3. All public Board and Commission meetings are postponed unless otherwise notified by the Department.
4. Department heads are directed to cancel, modify or postpone all non-essential public community events or group activities that require close contact and meetings with 50 or more participants.
5. All city facilities and gathering places must provide recommended social distancing, hand washing areas and hand sanitizing in accordance with LA County Public Health Guidelines.

CITY DEPARTMENTS – BUSINESS CONTINUITY

Parks, Recreation and Community Services Department

- The department's main office at City Hall will be closed to the public. Public access will be considered and provided on a case by case basis for emergency or interdepartmental related matters only. Our office can be reached at (310) 412-8750 for questions or concerns.

Inglewood Police Department

- The Inglewood Police Department encourages residents to use (310) 412-8771 for all non-emergency calls.
- Call 911 if you have an emergency.

GUIDANCE TO EMPLOYEES AND OTHER PROTECTIVE ACTIONS

- The virus is transmitted by exposure. Short of closing City Hall we can limit potential transmission of COVID-19 by limiting contacts until the virus has passed the incubation contagion period.
- Internally we should eliminate where possible visits to other workplaces for social purposes. Emergency Services will be examining proximity access privileges to ensure specific work site related access only.
- Wash your hands frequently with soap and water for at least 20 seconds, especially after going to the bathroom; before eating; and after blowing your nose, coughing or sneezing.
- If soap and water are not readily available, use alcohol-based hand sanitizer with at least 60% alcohol.
- Avoid touching your eyes, nose and mouth with unwashed hands.
- Practice social distancing (no hugging, kissing or shaking hands).
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash. If you do not have tissue, use your sleeve (not your hands).
- Clean and disinfect your immediate workspace frequently.
- Drink plenty of fluids such as water or Gatorade.
- Employees exhibiting flu-like or other respiratory symptoms should stay home and away from the workplace. Notify your supervisor immediately if calling off

- Employees are to limit unnecessary visits to other workgroups that are non-essential to the performance of their work.
- All non-essential new or pre-approved business travel is prohibited until further notice unless reconsidered and approved in writing by the City Manager.
- The Mayor, Elected Officials, Department Heads and the Office of Emergency Services (OES) are participating in daily/weekly tele-briefings with LA County Health, Elected Officials, City Managers and Public Safety agencies across the state.
- OES is participating in daily/weekly conference calls with Area G Emergency Managers.
- Additional cleaning staff has been assigned during business hours to disinfect public counters and high traffic areas at city facilities.
- Hand sanitizer and disinfectant wipes have been placed at all public counters.
- Informational flyers and posters on the coronavirus and best practices have been placed at all city lobby entrances, employee breakrooms and elevator lobbies.
- OES has a robust social media platform on Instagram, Facebook and Twitter, and is providing a wealth of preparedness information to our residents and employees. We encourage everyone to follow us @ReadyInglewood.
- The City of Inglewood has a comprehensive Emergency Preparedness Website for all hazards. Visit us at www.cityofinglewood.org/1033/Office-of-Emergency-Services
