Project Description

General Plan Amendment 2020-002 (GPA-2020-002) to amend the Land Use Element of the City of Inglewood General Plan to clarify existing population density and building intensity allowances for all land use designations..

Exempt Status

Categorical Exemption: Section 15061(b)(3) and 15060(c)(2)

Reason for Exemption

The proposed General Plan Amendment qualifies under the "common sense" CEQA exemption pursuant to CEQA Guidelines Section 15061(b)(3) and 15060(c)(2), which provides that, where it can be seen with certainty that there is no possibility that a project may have a significant effect on the environment, the project is not subject to CEQA. CEQA only applies to projects that have the potential for causing a significant effect on the environment - either through a direct impact or reasonably, foreseeable indirect impact. The proposed General Plan Amendment will not have a significant impact on the environment and because it clarifies existing land use regulations is therefore exempt from the provisions of CEQA.
