(Revisions are underlined. Strike through lines represent deleted text.)

WHEREAS, on November 6, 2019 the Planning Commission conducted a public hearing for the matter and approved Resolution No. 1851 entitled:

(Zoning Code Amendment ZCA-2019-002)

WHEREAS, on December 10, 2019, the City Council scheduled a public hearing for January 14, 2020; and,

WHEREAS, notice of the time and place of the hearing was given as required by law and,

WHEREAS, the City Council afforded all persons interested in the matter of the proposed amendments to the Inglewood Municipal Code, or in any matter or subject related thereto, an opportunity to appear before the City
Council and be heard and to submit any testimony or evidence in favor or against the proposed Code amendments; and,

WHEREAS, after taking public testimony and considering the issues, the City Council determined that certain changes specified herein, should be made to the text of Articles 5.1 and 7 of Chapter 12 of the Inglewood Municipal Code; and,

WHEREAS, the City Council has carefully considered all testimony and evidence presented in this matter, and being advised finds as follows:

SECTION 1.

1. That the proposed amendment supports the intent of the Inglewood General Plan in that it:
   a. Provides for the orderly development and redevelopment of the city while preserving a measure of diversity among its parts because the Code amendment will allow for a greater diversity of commercial uses along Prairie Avenue.
   b. Helps promote economic development and employment opportunities for the City's residents by responding to changing economic conditions because the allowance of the commercial uses along Prairie Avenue will allow the City to meet the demand for general commercial land within the City's entertainment district.

2. The changes to the text of Chapter 12 does not constitute an establishment of unique standards, offering special privilege to a particular individual or group of individuals because the allowed uses in the C-2 (General Commercial) portion of the Medical Enterprise Overlay are consistent with the uses in the C-2 Zone.

3. That the proposed use is exempt from the requirements of the California Environmental Quality Act, therefore Notice of Exemption EA-CE-2019-077 has been prepared.
NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF
INGLEWOOD, CALIFORNIA, DOES ORDAIN AS FOLLOWS:
