As many of you know, we are having a special election for Measures H & I in the City of Inglewood on Tuesday, November 2nd. The goals of these two measures are to protect funding for essential city and community services. I encourage you all to be informed voters, so please take a moment to review the facts about Measures H & I on the following page, and consider coming out to the informational event at Hollywood Park Casino on Oct 21st.

In honor of Breast Cancer Awareness Month, please remind everyone you care about to get their annual mammogram in addition to their regular self-checks. Early detection is the key to winning the fight against breast cancer. Here are some other things you can do that will help lower your risk:

- Find out your family's history
  - 5-10% of breast cancer is thought to be hereditary
- Limit your alcohol intake to 1 drink (or less) per day
  - Those who have 2-5 drinks daily have 1.5 times the risk of women who don't drink alcohol
- Exercise at least 150 minutes of moderate-intensity activity per week
  - Physical activity in the form of exercise can reduce breast cancer risk by as much as 20%

Let's honor all of the warriors who have fought this battle by caring for ourselves enough to stay healthy.
Measure H
Measure H raises the hotel visitor tax by 1.5%, in line with neighboring cities like Santa Monica, Culver City, and Los Angeles. Several new hotels, along with major entertainment developments, are contributing to growing hotel demand in Inglewood. Measure H will generate an additional $730,000 annually towards essential city services.

Measure I
Measure I increases the transfer tax on real estate transactions valued over $1.1 million. Measure I only applies to the top 2% of real estate transactions in Inglewood and generates $3.5 million annually towards essential city services. Measure I does not increase property taxes.

There will be an Informational Event on Measure H and Measure I at the INGLEWOOD SENIOR CENTER on October 21st @ 5-6pm
*111 N Locust Street*
Please stop by to get your questions answered & meet Councilwoman Faulk

The goals of Measures H & I are to fund Inglewood public safety and essential city services.
Go to https://inglewoodnow.org/ for more information on these measures.
Pfizer booster shots are now available for select groups of LA County residents who received their 2nd dose at least six months ago.

To see if you are eligible and visit myturn.ca.gov to book an appointment.

Is your white Vaccination Card too big to fit in your wallet?

Get your digital vaccine record to have on the go with you at any sporting event, concert, bar, or establishment where it is required.

Once again history is being made in the City of Inglewood. The Clippers Stadium has broken ground!

With the ground breaking of the Intuit Dome and the IBEC (Inglewood Basketball Entertainment Center). We can now officially call Inglewood the home of the Los Angeles Clippers!

https://fb.watch/88N0yAkOcb/
Each year, a symbolic Super Bowl "Golden Shovel" is passed from one Super Bowl host community to the next. The NFL, Los Angeles Super Bowl Host Committee, Los Angeles Rams, Inglewood Parks, Recreation and Community Services Department and NFL Partner Verizon joined forces for this iconic moment, which is the kickoff for the numerous Super Bowl LVI community greening projects.

Over 140 volunteers joined the effort to plant 56 trees in honor of #SuperBowlLVI. They will also participate in beautification projects including planting hundreds of flowers and plants, park clean up and painting.

It was a rewarding event and true pleasure for me to participate. Special thanks to our community partners NFL Green, Verizon Green, Los Angeles Super Bowl Host Committee, and the NFL. Click the image below to view the video.
ANNOUNCEMENTS

NOTIFY ME!

Get Notified of Traffic Alerts, Emergencies or City Meetings

Having a hard time keeping up with all of the games, concerts and other events in your area. Click here to sign up for text or email messages that notify you when there may be a traffic advisory in your area.

This City of Inglewood service can also notify you in the event of an emergency or simply to keep you informed about City meetings that you want to attend. Visit the City of Inglewood Notify Me webpage to sign up for the alerts and notifications that interest you.

Adopt a Pet

LA County Animal Care and Control has an exciting event coming up that you do not want to miss! In recognition of International Artist Day, DACC will be hosting "Pawcasso Day" where selected dogs will create their own paintings. The dogs and their paintings will then be showcased on our social media platforms on October 25, 2021.

If you adopt any of the featured dogs on that day or after, you'll also take home the artwork that the dog created.

Please remember that an appointment is required for adoption. Here is the link below to schedule an appointment:

https://animalcare.lacounty.gov/all-visits-to-the-animal-care-center-are-by-appointment-only/
Need to File a Nuisance Complaint?

Here's how:

Complaints may be filed with the Code Enforcement Section of the Economic & Community Development Department, in person, by mail or by telephone in the following manner:

- Identify the specific complaint or nuisance.
- Give your name, address and telephone number. (This information is essential and is kept confidential)
- Give the location of the problem, street name and house number.
- Give specific description of complaint (i.e., description of vehicle, type of debris, etc.)

The City's Code Enforcement Office is located at:
Inglewood City Hall
1 Manchester Boulevard, 4th Floor
Inglewood, CA 90301
310-412-5590

The mission of the Property Maintenance Division is to enhance and safeguard the City's community beautification and economic development efforts through the enforcement of property maintenance, zoning, and weed and waste Municipal code requirements.

It's Easy to Look up Promising Careers that don't Require Degrees

For students who don't have access to a career or college counselor, there are a number of helpful resources for making post-high school decisions. The U.S. Bureau of Labor Statistics offers tools to help people understand the earning potential of different careers. One of those tools, the Occupational Outlook Handbook, sorts career options based on average pay, the level of education needed and how much the profession is expected to grow over the next 10 years.

Questions About the TOD?

The Transit-Oriented Development (TOD) will be on the Agenda for the November 3rd Planning Commission Meeting. The meeting starts at 7p and can be viewed from the City's Facebook page.

Keep an eye on the Planning Commission web page for the Agenda or other details.

What's a TOD?? Click to learn more: www.tod.org
The City of Inglewood Housing Protection Department was established in May of 2020, and is responsible for monitoring and enforcing the City’s rent regulations and just cause eviction protections. The Department’s initial launch date for the program begins on October 1, 2021, with registration commencing in January 2022. The Inglewood City Council has waived the fee for all residential units registered between January 7, 2022 through March 31, 2022.

The City Council created the Department to assist its residents, both landlords and tenants, and we are here to help!! For any resident who has questions or concerns regarding rent increases and eviction procedures and protections, you are urged to contact the City of Inglewood Housing Protection Department at 310-412-4330 or housingprotection@cityofinglewood.org.

ID is required
MAXIMUM three (3) boxes or bags per vehicle.

For more information, contact the City of Inglewood Public Works Dept. at (310) 412-5333.
Let's Be Good Neighbors!
A Message from Republic Services

The City of Inglewood is experiencing transformative growth and advancement! The City’s popularity is known nationwide. No other City has two National Football League (NFL) teams now playing at the newly opened, state-of-the-art SoFi Stadium where the NFL Super Bowl will be held in February 2022 — meaning that Inglewood will be the center of attention for the world!

Inglewood is rightly positioned to have a National Basketball Association (NBA) arena, which will be the home of the Los Angeles Clippers in the near-future. The Los Angeles Philharmonic / Youth Orchestra program facility is in our downtown area. Planning is also underway for the Federation of International Football Association (FIFA) World Cup event to take place here, as well as the National Collegiate Athletic Association (NCAA) Football Championship Bowl game. These are just a few of the exciting things already here or coming to Inglewood!

As such, we as residents and business operators can do our part to be “good neighbors.” How so? One way is to ensure that trash bins are not overloaded to the point that trash and debris spill out onto the ground. Additionally, bin lids are to remain in the closed position when not in use. For recycling bins, make sure all boxes are broken down and flattened so that contents fit inside the bin, ensuring that the lids can be fully closed.

Improper trash management can lead to waste spillage and unsanitary conditions that attract rodents and other unwanted pests and emit smelly odors throughout the area. If additional days of service are needed at your business or multi-family property, please make arrangements with the City to increase services. We welcome you to be good hosts to the transformative greatness that is Inglewood. Your cooperation will help keep the community and environment beautiful and well-maintained. If you need more information, please contact the City of Inglewood, Public Works/Environmental Services at 310.412.5333.

What's Happening at the Inglewood Public Library?

- Pumpkin Carving!
- Halloween Giveaway!
- Grab and Go Kits for Kids AND Adults!
- Free Virtual Coding Classes!
- and much, much more!

Click here to read the Inglewood Library's October Newsletter for more information.
Be the Neighbor You Want to Have Nextdoor

While most people recognize the value of being a good neighbor, there are a number of neighborly practices, which everyone should keep in mind. The following list of "Do’s and Dont’s" highlights some of the essential building blocks necessary for a clean, healthy, and tranquil neighborhood.

Being a good neighbor and keeping our neighborhoods clean are goals, which all Inglewood residents should strive to achieve. Whether it’s providing a helping hand on some household project or serving as the vital link in a neighborhood watch program, the value of having residents who are cooperative and respectful of each other’s rights can never be underestimated.

Do’s

- Help maintain the appearance of your neighborhood by parking either on the street or in your driveway.
- Remove empty trash cans and any remaining debris from the curb within 12 hours after your trash has been picked up. Leaving trashcans at the curbside for an extended period creates an impression of an untidy neighborhood and also contributes to health and sanitation problems by attracting flies and other pests.
- Perform minor repairs and maintenance work including oil and tire changes, brake inspections, or fluid checks in your driveway or backyard. Doing this avoids creating a hazardous situation, which could endanger your life as well as the safety of motorists, who are properly using the roadways.
- Enjoy your radio, television, or music component set, but not at the expense and irritation of others. You should be aware that the City of Inglewood like many other metropolitan cities has various noise regulations designed to restrict excessive levels of noise. Violation of these noise regulations constitutes a misdemeanor and is punishable by a fine and/or imprisonment.
- Keep your lawn, trees, and shrubbery well-watered and neatly trimmed. Since the appearance of our homes and lawns speaks to the pride of ownership in the Inglewood community, diligent property maintenance of lawns and associated landscaping will increase property values as you do your part to beautify our community.
- Obtain a license for your dog and always walk him or her with a leash. A dog whose turf includes every yard on the block can quickly upset the tranquility of a neighborhood. Remember that being a good neighbor includes being a responsible pet owner.
- File an application for a permit to keep or raise these animals before housing them on your property. The permit procedure insures that these animals are kept in a sanitary and humane manner. Applications may be obtained from the City Finance Department.
- Comply with City zoning regulations, which require that garages are used only for the purpose of providing shelter, and parking for vehicles owned or operated by occupants of the main building.

Dont’s

- Don’t park cars on your front lawn. Aside from giving your home and neighborhood an unsightly appearance, lawn parking is a violation of section 12-15 of the Inglewood municipal code (IMC) and can result in the issuance of a citation to the owner of the vehicle.
- Don’t leave trash cans at the curb after your trash is picked up. (IMC Section 7-19 (4)).
- Don’t perform maintenance work or make repairs on vehicles parked upon public streets or alleys. (IMC Section 10-18).
- Don’t play loud music or make loud noises, which disturb the peace and quiet of your neighbors this includes playing radios loudly while operating cars, vans, or SUVs. (IMC Section 5-29).
- Don’t allow overgrown vegetation rubbish to accumulate in your yard. This situation creates an unsightly appearance for your home as well as your neighborhood. It also can result in a fire hazard if the vegetation dries out, as is often the case during summer months. (IMC Section 11-70 (1-4, 15) and 7-18).
- Don’t house an unlicensed dog or allow that animal to roam the neighborhood unleashed. (IMC Section 4-18).
- Don’t raise or keep chickens, rabbits, pigeons, ducks, goats, or any other fowl or livestock on your property without first obtaining a valid permit from the city. (IMC Section 4-16).
- Don’t use your garage as additional space either for yourself or for others. This is unsafe, unhealthy, and unattractive. (IMC Section 12-40.1).

Get to Know the Neighborhood

Getting to know the people in your neighborhood is essential to developing a cohesive neighborhood and can be fun as well. One of the best ways to develop an effective system for neighborhood communications is through participation in a Neighborhood Block Club. Block Clubs provide a means for residents of the area to get together and discuss neighborhood concerns. They also provide a forum for dialogue between City officials and local residents.

While there are over 250 active Block Clubs throughout the city, it’s possible that your block may not yet be organized. If that’s the case, the City can assist you in starting your own neighborhood block club. Information for forming a block club can be obtained by calling the Police Department’s Community Services Division at 310-412-5530.
International Shakeout Day

Thursday, October 21st is International Shakeout Day. It’s a good idea to practice earthquake safety in different situations each year. Use the guide below to make sure your home is earthquake ready. Click [here](#) for resources to hold earthquake drills for your home, business or other organization. Be Safe! #readyinglewood

Looking for Kindergarten?

Are you or someone you know researching local Kindergarten programs for your children?

Join WPNS Cooperative Learning Center’s Kinderforum for an evening with local elementary schools including public, private, magnet and charter schools. Schools in and near West LA, Inglewood, and the LAX area will introduce you to their kinder programs and more.

$10 suggested donation for entry. WPNS families are free!

This event will follow LA County COVID protocols.

October 19th at 7pm
Kids are welcome to attend

Learn more and register at: [https://www.wpns.org/events/kinderforum-2021](https://www.wpns.org/events/kinderforum-2021)
Operation Clean Sweep

Twice a year, Consolidated Disposal Service will pick up your bulky items at the curb, free of charge. The next Operation Clean Sweep will happen in OCTOBER.

Check the schedule below for your convenient Saturday Clean Sweep Day. This event is for single and multi-family residents only.

Acceptable items include furniture, appliances, and trash. You may use additional bags or containers weighing no more than 60lbs when full. Branches, tree trimmings, lumber etc. must be tied in bundles not to exceed 4ft in length and 60lbs. There must be no more than 15 bags and/or 10 bundles.

Non-acceptable items include any hazardous material and any item that would require more than two workers to handle.

Operation Clean Sweep items must not be placed out for collection prior to Friday of the scheduled Saturday pickup date.

No individual bulky item pickups can be scheduled during Operation Clean Sweep. All scheduled requests will resume on the first service day following the conclusion of the Operation Clean Sweep event.

For more information, please contact Consolidated Disposal Service at 800.299.4898 or visit www.cityofinglewood.org
