As we have begun a gradual recovery from the COVID-19 pandemic, many families still face an uncertain future. Many of our residents are often forced to make sacrifices and difficult decisions that become even harder while trying to provide for their families during the holiday season.

We hosted several food donations for Thanksgiving to help ensure full bellies for the holiday and are now preparing to host our 2021 Holiday Donation Drive on December 10th from 4-7p. (Flyer Attached)

For years, individuals, block clubs, businesses, and organizations have come together to provide great support for District 4 families in need during the holiday season. With Christmas just around the corner, we are clear that the ability to give people hope in the midst of current challenges can go a long way towards restoring faith and reminding people of what is truly the most important and most valuable thing in our lives – our families.

Your support of our annual giving effort through your donations of unwrapped toys, grocery/retail/food gift cards, and toiletry items will assist us in this endeavor and would be greatly appreciated. We strongly encourage our sponsors to patronize businesses in the City of Inglewood for the following donation items:

**GROCERY/RETAIL GIFT CARDS:** Valued at a minimum of $20ea from a variety of grocers/retailers including Target, Burlington, Ross, Marshalls, GAP Factory, Old Navy, Vons, Ralphs/Food 4 Less, ALDI, Superior, Grocery Outlet, Northgate Market, etc.

**RESTAURANT/FOOD GIFT CARDS:** Valued at a minimum of $5ea from McDonald’s, Carl’s Jr, Jack in the Box, Jamba Juice, Habit, Chipotle, Wendy’s, In N Out, Subway, Starbucks, Flame Broiler, El Pollo Loco, etc.

**TOYS:** New, age-appropriate, unwrapped toys for children from infant to twelve years. NO toys that resemble guns, knives, swords or other “violent” weapons, please.

**TOILETRIES:** New, unwrapped toiletry items, including socks, shampoo, soap/body wash, lotion, tooth care items, feminine hygiene items, washcloths/towels, deodorant, razors, diapers & underwear (all sizes: men, women & children), twin sheets, etc.

Please give as you are able and know that every donation is sincerely appreciated. Thank you, in advance, for your abundant generosity and willingness to make a difference in the lives of Inglewood families this Christmas.
Councilwoman Dionne Faulk's 2021 Holiday Donation Drive

Friday, December 10 from 4-7 pm

District 4
Police Community Center

Unwrapped Toys
Grocery Gift Cards
Retail Gift Cards
and Toiletry Items

**No Food Items Please**

THIS IS A DRIVE-THRU EVENT

ALL DONATIONS WILL BENEFIT LOCAL FAMILIES AND COMMUNITY ORGANIZATIONS
Councilwoman Faulk Congratulates the First African American Woman Appointed General Manager of Republic Services -Serving the City of Inglewood!-

Transitioning to a new position is never easy, let alone at the height of a global pandemic. Nevertheless, that is exactly what Tonya Griffin did in January 2021 when she assumed the role of General Manager at the Gardena Division of Republic Services, the region's pre-eminent waste and recycling operator. In doing so, Griffin became the first African-American woman to hold the demanding position.

In her role she leads a dedicated staff of more than 300 people serving the communities of Inglewood, Compton, Lawndale, Hawthorne, Rolling Hills, Athens, and South Los Angeles.

The progression to leading a division has been a steady one for Griffin. With nearly 15 years of experience at Republic she has held key leadership roles in Customer Service, Training and Sales, and most recently led Republic’s Zero Waste team, which implemented the City of Los Angeles’ forward-thinking recycLA program.

Griffin has a proven track record as a service-focused individual with extensive knowledge on the business-side of the sustainability and recycling space. She has committed herself to making sure every municipality, customer, and employee has a positive experience interacting with Republic as she promotes best practices in recycling, composting, food waste collections, and repurposing.

Her customers rave about her in the way she creates opportunities for learning new recycling and waste practices. Her high-performing teams and top-notch customer service have resulted in beneficial partnerships with municipalities and customers achieving exceptional levels of client collaboration. And Griffin does not miss an opportunity to get out in the community to support her team to meet with the communities and partners she serves.

Outside of work Griffin can be found spending time with her family and close friends, volunteering with her church, and whipping up a batch of her famous homemade BBQ sauce. She’s been married for 35 years and has three adult children and welcomed her first grandchild born this past May.
Dear Councilmember Faulk-

As requested, please see our remarks regarding the connectivity inquiry you had made.

- Verizon acknowledges that there are connectivity issues impacting wireless signals in three Communities: Renaissance, Carlton Square and Briarwood.
- To address this signal degradation and otherwise improve wireless connectivity, Verizon is building a large “macro” wireless facility at Darby Park. These large facilities typically take years to obtain the legal entitlements (for example, city permits) and to build. With cooperation and a sense of urgency from the Public Works department and Verizon, we can probably complete construction in 2 years. This site, once on air, will improve connectivity to the Renaissance and Carlton Square communities and to a lesser extent Briarwood.
- We are aware that 2 years is a long time. Verizon will deploy a temporary wireless facility in the “red zone” staging area in SoFi stadium grounds as soon as possible. This temporary solution will be available for approximately four months and will improve connectivity to the Renaissance community. Verizon is willing to extend the length of this temporary solution and is working to get that approval.
- Verizon is also still in the process of deploying small wireless facilities throughout Inglewood and two such facilities are slated to be constructed soon in areas that will improve connectivity to Carlton Square and Briarwood.
- Finally, Verizon will immediately bolster its existing analysis of connectivity gaps in these three communities to determine other potential permanent solutions.

Let us know if you have any questions, and we will continue to update you on our progress.

On behalf of our Verizon team, we are wishing you and the Inglewood Community Happy Holidays.
On Tuesday, November 9th Morningside High School Alumni hosted a luncheon for the Morningside High School Football team following their devastating loss to Inglewood High School. The event was an awesome display of love from the alumni to the students with several members of the Los Angeles Rams community (Kevin Nickerson, Deral Boykin, Brandon Harvey & Johnathan Franklin), Councilwoman Faulk, and the great Rosie Grier invited to give a few words of inspiration to the group. Each speaker had some very inspirational things to say and reminded the students to believe in themselves, that they are enough, and that these friendships with each other is everything. But one of the best quotes of the day came from former Rams Wide Receiver, Brandon Harvey:

This experience does not define failure OR success. It was simply a moment. If you don't grow through these moments, what did you go through the moment for? Don't let a moment define you, use it as fuel.

~Brandon Harvey
Another Variant of Concern!!

The Omicron Variant identified by the World Health Organization as a “variant of concern” is being closely monitored as they work with others across the globe to prepare to mitigate the challenges it may pose for residents & workers across LA county. More on the LA County response here: [https://bit.ly/3G19vqX](https://bit.ly/3G19vqX)

Are you Eligible for a Booster?

Boosters are now available for fully vaccinated people age 18 and older! If it has been six months or more since your second dose of Pfizer or Moderna, or two months or more since your first dose of Johnson & Johnson, make plans to get you boosters.

Keep Up Your with Your Vax Records Digitally

Still carrying your vaccine record in your wallet? Get your digital vaccine record to have on the go with you for any event or establishment where it is required.

Emergency Housing Voucher Program: Rent Your Available Units
Calling all property owners! Do you have available units to rent? You may be eligible to receive up to $5,000! Click the image to learn more.
South Bay Promise
The South Bay Promise, a program available to all first-time college students attending El Camino in the fall, offers an affordable pathway for students who are transitioning from high school to college. Students enrolled as first-time full-time students will have their first and second year fees waived and additional services and counseling will be offered to students enrolled in the South Bay Promise. To apply and view eligibility requirements, please click here. For additional questions, please contact Ananda Williams at southbaypromise@elcamino.edu.

College Night
El Camino College is hosting "College Night" on November 10, 2021 from 5:00 p.m. - 7:30 p.m. This in-person event is an open house event showcasing everything El Camino College has to offer! Come learn about programs and resources! All prospective students, parents, adult learners, educators, and community members are welcome to attend. For more information, please click here.

Finding Your Way To A High-Paying Trade Job
Figuring out what to do with your life is a challenge for anyone. Students are often told to get their bachelor's degree and find their passion and they'll eventually be rewarded by landing their dream job.

For most people, it's not that simple.

Along the way, Isis Harris in Portland, Ore., says, "I kept hitting walls and I kept running into obstacles." Then she took a course designed to sample different jobs in construction, and while wiring a light bulb, a switch flipped in her head.

Almost five years later, Isis is finishing up her apprenticeship to become a certified electrician. She didn't aim to be in the construction industry, she says, but "once I did and it clicked so well, I had no intention of ever looking back on anything else."

There are lots of jobs out there like Isis's, that don't require a bachelor's degree. Whether you're looking for your first job or changing paths, here's what to know about getting a job in the trades. "There are thousands of jobs that go unfilled every year because they can't find qualified people with both the skills and the interest to pursue them," says Carrie Akins, director for career and technology education for Calvert County Public Schools in Maryland.

Many of these jobs aren't just available — they also pay well. With an associate degree, air traffic controllers made a median salary of $130,420 per year in 2020. Some other lucrative jobs that don't require a bachelor's degree? Construction managers ($97,180), aircraft mechanics ($66,680), plumbers ($56,330) and firefighters ($52,500). And those are just the median salaries. Depending on where you live, you could make more.

There's more! Read the full article at: https://www.npr.org/2021/04/21/989609489/finding-your-way-to-a-high-paying-trade-job-without-college

Need to Apply for or Renew Your Passport?

American citizens can apply for a U.S. passport through the Inglewood Public Library’s Passport Service. Please note that services are available by online appointment only.

Most renewals can be done by mail. If you have a passport that was issued less than 15 years ago and you were at least 16 years old when it was issued, you may be able to submit a self-service renewal. Please click here to go to the State Department website or click the image to watch a video about renewing by mail.

Persons that already have a scheduled appointment may call (310) 412-5304 to discuss any issues in advance of the scheduled appointment time. No scheduling or rescheduling of appointments will take place over the phone.

The Fall edition of the City of Inglewood Community Information Guide (CIG) is now available online.
During the November 3rd School Board meeting, we passed a board resolution recognizing November as National Homeless Youth Awareness Month. Homelessness continues to be a serious problem for many students and families across Los Angeles County. In the 2019-2020 school year, Los Angeles County identified almost 68,000 youth experiencing homelessness. Our District will continue to provide resources, in an effort to address the educational needs of students experiencing homelessness in our district. In addition, we will continue to collaborate with our community, and other social services agencies to support our students and families. Please join us in wearing green on Fridays during the month of November to support our fight to end child and youth homelessness.

BOARD UPDATE – INGLEWOOD UNIFIED SCHOOL DISTRICT TO ISSUE FIRST SERIES OF MEASURE I BONDS, DELIVERING $74.8 MILLION IN SCHOOL IMPROVEMENTS AT A VERY LOW COST OF BORROWING

On October 26, 2021, the Inglewood Unified School District successfully priced the sale of Election of 2020 General Obligation Bonds, Series A (“GO Bonds”) that will deliver $74,800,000 in funds for much-needed modernization and construction projects at a low cost of borrowing to the community. The GO Bond sale is the first series of bonds under Measure I, which was approved very favorably by 80.80% of voters in November of 2020.

The GO Bonds were sold through a negotiated sale process with Stifel, Nicolaus & Company, Incorporated (“Stifel”), who held in-depth talks with the District’s financial advisor, Fieldman, Rolapp & Associates Inc. (“Fieldman”) regarding appropriate pricing levels. By locking in its rates during a very low interest rate period, the District achieved a low True Interest Cost of 3.17% over a 30-year borrowing term. This is similar to locking in a 30-year mortgage rate at near all-time low levels. The improvements made on pricing day also resulted in over $250,000 in lower interest cost savings for taxpayers compared to the previous day’s estimates.

Additionally, similar to a home mortgage the District has the option to refinance the GO Bonds for additional taxpayer savings at a future date in time. By completing its pricing late last month, the District served as responsible stewards of taxpayer dollars by locking in a very low cost of borrowing for the GO Bonds.

Could Boarding School Be Right for Your Family?

The SEED School of Los Angeles County (SEED LA) is facilitating virtual information sessions for the upcoming Fall 2022 semester. In partnership with Metro, SEED LA is a college preparatory boarding school that will immerse students in math, science, and technology programming all geared towards ensuring career readiness. SEED LA’s one-of-a-kind program empowers a student’s educational journey though:

1. Rigorous academics
2. College-driven environment
3. Character development education
4. Extracurricular activities and athletics
5. Individualized support and mentorship

Register for a SEED LA Family VIRTUAL Information Session

1. Tuesday, November 16th @ 6:30pm
2. Thursday, December 2nd @ 6:30pm
3. Tuesday, December 7th @ 6:30pm

Participants will learn about how SEED LA can help bring your scholar closer to their college dreams, meet the head of school, Jillian Juman, and hear about the benefits of attending a SEED School.

TO REGISTER, scan the QR code with the camera on your phone or tablet (with access to internet) or click this link: www.SEEDSchoolLA.org/welcome

To be eligible for enrollment in SEED LA, you must reside in Los Angeles County. SEED LA welcomes all students and families at the information sessions, however, please note – only 8th graders (students who will be 9th graders for the 2022-2023 school year) – are eligible for enrollment.

WHY SEED LA?

Sophia Echavarria (SEED DC ’04) shares how SEED gives young scholars the opportunity to escape the challenges that home life may bring, and provide them with the support they need to reach their full potential.

City of Inglewood’s NEW

Housing Protection Department

WHAT IS HOUSING PROTECTION?

Housing Protection is a department that was created by the Inglewood City Council pursuant to Assembly Bill 1482 that was established by the State of California in 2019. The department was enacted to specifically address the concerns of the City of Inglewood’s rental constituency by monitoring the regulations for rent increases and just cause eviction protections outlined in Ordinance No. 21-09 (Housing Protection Ordinance).

WHAT IS REGISTRATION?

The Housing Protection Department will implement an online Inglewood Residential Registry System that will require all Property Owners and Landlords to register their residential property regardless if it is used as a rental or not.

WHY MUST I REGISTER MY HOME IF IT IS NOT BEING USED AS A RENTAL?

All property owners and landlords are required to register their residential properties to enable the City to capture and maintain current data on the city’s housing stock.

WHO HAS TO REGISTER?

ALL RESIDENTIAL PROPERTIES must be registered through the online Inglewood Residential Registry System, regardless if it is used as a rental or not. There are a number of property types that are exempt from paying registration fees; however, the exemption is contingent upon timely registration. The exempt property types are as follows:

1. Single Family Homes and Condominiums owned by a natural person regardless if it is the owner’s primary residence or it is being used as a rental property.
2. Owner-occupied duplexes (2 residential units on one parcel) as long as the owner has established the residency prior to the tenant occupying the other unit, and the residency of the owner is continuous.
3. Housing that has been issued a certificate of occupancy within 15 years from the current date.
4. Properties/Units whose rents are less than 70% of Fair Market Value.
5. Affordable Housing developments with restricted deeds.

WHEN AM I REQUIRED TO REGISTER MY PROPERTY?

The Program Fiscal Year is from October 1st through September 30th. For the initial year (October 1, 2021), the City Council delayed the registration date to January 7, 2022. The online Inglewood Residential Registry System will be open to property owners and landlords beginning January 7, 2022 through March 31, 2022.

Please note: Registration fees for ALL properties registered from January 7, 2022 through March 31, 2022, will be waived.

WHY MUST I PAY REGISTRATION FEES?

The fees are imposed on residential properties that are governed by the Housing Protection Ordinance, which are intended to recover the City’s reasonable costs associated with enforcing its housing protection regulations as outlined in Chapter 8 (Articles 9 and 10) of the Inglewood Municipal Code, and related inspection programs. Fees will be waived for all residential properties successfully registered between January 7, 2022 and March 31, 2022.

**EMERGENCY BROADBAND BENEFIT**

**WHAT IS IT?**

The Emergency Broadband Benefit is a temporary FCC program to help households struggling to afford internet service during the pandemic.

The benefit provides:

- Up to $50/month discount for broadband services;
- Up to $75/month discount for households on qualifying Tribal lands; and
- A one-time discount of up to $100 for a laptop, desktop computer, or tablet purchased through a participating provider.

**WHO IS ELIGIBLE?**

A household is eligible if one member of the household:

- Has an income that is at or below 135% of the Federal Poverty Guidelines;
- Participates in certain government assistance programs;
- Receives benefits under the free and reduced-price school lunch or breakfast program;
- Received a Federal Pell Grant during the current award year;
- Experienced a substantial loss of income due to job loss or furlough since February 29, 2020; or
- Meets the eligibility criteria for a participating provider’s existing low-income or COVID-19 program.

**THREE WAYS TO APPLY**

1. Contact your preferred participating provider directly to learn about their application process.
2. Go to GetEmergencyBroadband.org to submit an application to find participating providers near you.
3. Complete a mail-in application and send it along with proof of eligibility to:
   Emergency Broadband Support Center
   P.O. Box 7081
   London, KY 40742

THE INGLEWOOD POLICE DEPARTMENT AWARDED $245,000
GRANT FROM THE OFFICE OF TRAFFIC SAFETY

Inglewood Calif. – The Inglewood Police Department will roll out a police traffic services program to deter dangerous and illegal driving behaviors that increase the risk of crashes in the community.

“Impairment, speeding, and other dangerous driving behaviors, jeopardize the safety of other people on the road,” Chief Mark Fronerotta said. “This funding allows us to provide necessary traffic enforcement measures, with the goal of reducing serious injury and fatal crashes, on our roads.”

The grant will pay for additional enforcement measures, including:
- DUI checkpoints and patrols specifically focused on suspected impaired drivers.
- Enforcement operations focused on suspected distracted drivers in violation of California's hands-free cell phone law.
- Bicycle and pedestrian safety enforcement operations focused on driver behaviors that put vulnerable road users at risk.
- Enforcement operations focused on top violations that cause crashes: speeding, failure to yield, stop sign and/or red-light running, and improper turning or lane changes.
- Community education presentations on traffic safety issues such as distracted driving, DUI, speeding, and bicycle and pedestrian safety.
- Collaborative enforcement efforts with neighboring agencies.
- Officer training and/or recertification: Standard Field Sobriety Test (SFST), Advanced Roadside Impaired Driving Enforcement (ARIDE) and Drug Recognition Expert (DRE).

The grant program will run through September 2022.

Funding for this program was provided by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration.

MEDIA NOTES: To schedule an interview regarding the Inglewood Police Department Traffic Safety Operations, please contact Sergeant Jeff LaGreek.
