Back OUTSIDE in Inglewood
It’s a VIBE!

CITYOFINGLEWOOD.ORG
Greetings Residents,

There is an energy in the air. It must be summer time in the City of Inglewood! This is one of my favorite times of year as I love seeing all the children and families at our parks, libraries and recreation centers enjoying the various summer events, programs, activities and amenities offered by the City of Inglewood. There's lots to do!

First, mark your calendar and join us for the 74th Annual Memorial Day Service taking place on Monday, May 29, 2023 at Inglewood City Hall. Inglewood’s Memorial Day event pays tribute to all the men and women who have died while serving in the U.S. military, as well as, honors the brave men and women who have and are currently serving our country. Next, if you have not already done so, we invite you to check out the two new Dodgers Dreamfields (for baseball and softball) at Edward Vincent Park. You will also see nearby the newly renovated basketball courts. These two projects were made possible by charitable donors – the Los Angeles Dodgers Foundation and PepsiCo, respectively. Next up, we will debut a new bicycle Pump Track, scheduled to open to the public in June 2023. This project is courtesy of Grow Cycling Foundation, another charitable partner. If cycling, baseball or basketball is not your thing, don’t fret. There’s more. Summer camps, family swim events, photography and gardening classes, summer reading, and movies in the park are just a few of the many recreational and leisure opportunities listed in this edition of the Community Information Guide. Enjoy the read. There’s something for everyone!

Here's to a fun-filled Summer!

All the best,

Artie Fields

The Inglewood Transit Connector is on the Move!

The Inglewood Transit Connector (ITC) Project, is a 1.6-mile fully elevated, automated transit system that would connect the Metro K Line to the region’s newest sports and entertainment venues, including the Kia Forum, SoFi Stadium, and Intuit Dome, as well as to new housing and commercial centers. When completed, the project will improve transit access and mobility for residents, reduce traffic, and alleviate overflow parking during event days, while also helping visitors and tourists connect to Inglewood’s popular restaurants, shops, and venues.

Overall, the ITC has continued to make significant strides over the past year. The Project has secured more than $765 million in local, state, and federal funds. It has also achieved compliance with the California Environmental Quality Act and National Environmental Protection Act. Last month, the City Council took action to move the proposed ITC’s Maintenance and Storage Facility to be co-located with the Market Street Station. By doing so, the Mayor and Council prevented disruptions to the Vons supermarket, as the original plan had contemplated co-locating the facility with a new store on the existing Manchester site.

Last month, the South Bay Cities Council of Governments unanimously voted to invest $100 million, which will be used as a back-stop for the project, demonstrating the continued regional support for the project.

The City team has engaged three pre-qualified developer teams who are anticipated to bid on the project, with the goal of breaking ground in 2024 and beginning operations in early 2028, ahead of the LA28 Summer Olympic and Paralympic Games.
Recently, the Los Angeles Clippers held a ceremony to celebrate the raising of the final steel beam put into place at their soon-to-be-home, the Intuit Dome. This milestone symbolizes a sign of hope and what is in store for the future of the team. The ceremony was attended by several Clippers players, the team’s Owner, Mr. Steve Ballmer, local politicians, community activists and the community-at-large.

The ceremony highlighted the hard work done by thousands, from the designers to the construction workers. The project is powered by people of color, mainly from Inglewood and the surrounding communities. “Teamwork” of all those involved are putting in the work to make Intuit Dome’s vision become a reality.

The vision includes being close to SoFi Stadium and the Kia Forum – the mission is to make The City, the Entertainment Capital of the world!

The excitement for the fans, coaches, players and Staff is undeniable. The Clippers are one step closer to finally having their own identity in the Los Angeles area.

Some unique features of the Intuit Dome includes:

- “The Wall”: 51 rows of uninterrupted seats
- A two-sided halo scoreboard with an acre of LED lighting
- An 80,000 square-foot outdoor plaza surrounding a full size outdoor basketball court
- Courtside cabanas
- Backstage bungalows
- Halo suites
- 1,160 toilets and urinals (which Steve Ballmer was really proud and excited to announce), no more long lines, so attendees can get back to their seats to watch the game

The Intuit Dome is set to open next fall, ahead of the 2024-25 season. The icing on the cake and the focus at hand will be the Clippers being able to hang a championship banner inside their new home - The Intuit Dome.

JULY 16 - START A PODCAST! It’s Not Too Late, 11am-2pm. Thought about starting a podcast but don’t know how or what to talk about? Scared it’s too difficult? Think you’re too old, or it’s too late to start? Is it costly? Is it worth it? These are all Tiwana Floyd’s questions before starting her podcast ACTING LESSONS LEARNED. While there are 1000s of podcasts on air, the medium still isn’t oversaturated compared to YouTube. Many people can start a podcast, and IT’S NOT TOO LATE TO START. In this workshop, you will learn the fundamentals of podcasting and walk away with knowledge and a plan to start your show. • How to Choose a Topic • Hosting Platforms • Essential Tools & Editing Software • Set up, Recording, and Music • Logo & Marketing • Scheduling, Batching & Consistency • How to get Listeners - A recent graduate of the PROMAX Prome Pathway at Santa Monica College, Tiwana Floyd is a podcaster, media marketer and digital editor. Her podcast “Acting Lessons Learned” has grown exponentially with global downloads. Class Limit - 22 people. Cost $95, visit www.tiwanafoloyd.com for more information and to register for class. (ages 18+)

JULY 18 - Inner City Cultural Center presents An Intimate Evening with Ted Lange, 7:30pm. From the fun loving actor in The Love Boat to writing and directing African-American Historical Plays, Ted Lange is one of Hollywood’s icons. Chat with him about writing scripts, surviving the business and directing great projects like Othello, Moesha, The King of Queens and Are We There Yet. Tickets range from $10-$50. Purchase tickets on eventbrite.com - search “ted lange”. For more information or questions email lcczinc@gmail.com.

JULY 17 - AUGUST 5 - KIDS THEATRE CAMP - Mon, Wed, Fri - 10am to 1pm. Our Summer Camp for youth ages 7 to 13 is back! Children will work with our Artistic Director and accompanying teacher to improve acting technique and improvisational skills. They will participate in drama games and activities to bring them out of their shell and build their confidence on stage. They will learn the audition process and then rehearse their parts to perform in a short play for their family and friends. These classes are designed to enhance focus and allow your little actor to shine and have fun! Total of 9 classes and 1 performance on Saturday, August 5th. Cost $50. Class Limit - 20 students. Sign up at parksrec.cityofinglewood.org.

AUGUST 12 - E-Zine Digital Marketing Workshop, 11am-1:30pm. Artists, creative and entrepreneurs looking to improve their marketing skills will learn E-Zine Digital Marketing from an industry-experienced teaching artist. Attendees will learn how to plan, curate, design and publish their own e-zines and email campaigns utilizing dynamic digital platforms to build interest in their product, service or subject. The workshop will offer insight into curated digital marketing, and what makes a successful opt-in transaction/relationship for themselves and respective audience. Class Limit - 18 people, (ages 18+). Instructor LaMar Anderson, a creative-entrepreneur who functions in several mediums of creative expression such as photography, film-making, teaching artist, imaging and publisher for Aum Creative. LaMar founded Aum Creative as a means to harness the power of visual arts to advocate for positive reflection of African people and culture. His projects reflect positivity in humanity and continue to highlight and celebrate beauty within people and places around the world. Visit www.aumcreative.com/category/workshops to register for class.

SEPTEMBER 8-17 - "Real Women Have Curves" Stage Play by Josefina López. Fridays at 8pm, Saturdays & Sundays at 7pm (subject to change). Set in a tiny sewing factory in East Los Angeles in September 1987. The play is marked by the issues of gender politics and the Latina immigrant experience. The story is told from the point of view of Ana, the youngest employee at the factory. Celebrate Hispanic Heritage Month with this classic story which was also made into a movie of the same name.

Directed by Virginia Novello, an actor/writer/producer/director. With a big Mexican-Italian family she has more than enough material for a lifetime. Activist creator by day, salsa dancer by night. Theater is her first love, and she directed the short documentary “Sueños Rotos” following a soccer player in Mexico (which aired on national television during the world cup). She is now producing and acting in “Sisters,” a feature film she co-wrote to be released this year. Purchase tickets at www.willieageeplayhouse.com or email playhouse@cityofinglewood.org for more information. Tickets $25. (ages 13+).

Hot meals are delivered directly to the senior’s home ready to eat. Suggested donation for our nutrition programs is $2.50 per meal. For more information and to register please call (310) 412-4380.

Transportation
Senior transportation provides rides for seniors and disabled adults on shuttle busses, taxi cabs and the L-Line Trolley. Seniors are assessed as to their individual needs and are able to schedule rides on shuttle busses and purchase discount taxi cab coupons. Seniors may request curb-to-curb transportation to appointments. The free L-Line Trolley service connects shopping areas, public service agencies, the Inglewood Senior Center, five senior housing complexes, and connection points to Metropolitan Transportation Authority (MTA) bus service. The L-Line Trolley operates Monday through Friday from 10:00 am to Noon and 1:00 pm to 5:00 pm, beginning and ending each loop at the Inglewood Senior Center. For more information, call (310) 412-4382.

Information and Assistance – Resource Center
The Information and Assistance desk at the Senior Center is the place to call for all sorts of information relevant to senior citizens and disabled adults. The staff will assist you in obtaining the services you may need, provide referrals and answer your questions. You can get assistance with food, housing, health services and transportation; Social Security and Medi-Cal; rebates and discounts; educational opportunities and much more. For more information, call (310) 412-5338.

Senior Classes
In an effort to provide recreational opportunities for seniors, a variety of classes are now offered in-person. Please see the list of available classes. Classes are subject to change.

The Inglewood Senior Center and City recreation centers are open for select activities such as gym, computer, yoga and Zumba. Class sizes and times are limited and reservations are required.

Seniors may request curb-to-curb transportation to appointments and receive information about social services and community resources.

In addition, seniors may participate in our home-delivered or congregate meal programs providing lunches for seniors who reside in Inglewood or visit the Inglewood Senior Center.

Every year, property owners (not tenants) of residential units (Single Family Homes not owned by a natural person or Family Trust, two or more units on a parcel (whether rented or not), and commercial properties with residential units (mixed-use)), must register with the Housing Protection Department. The mandatory residential registration period is officially in its second year. An owner must register their property and pay any applicable fees associated with the registration. Upon completion, the owner must provide each tenant with a copy of the registration certificate or post a copy of the certificate in a conspicuous place on the property.

If an owner has to pay a registration fee for a specific unit, and the payment is made before the deadline, the owner may choose to pass through 50% of the cost to the tenant, or $92, over 12 months ($7.67 per month). If the issue date of the registration certificate is after April 10, 2023, a landlord may not recover the registration fees from the tenant. Furthermore, this fee cannot be passed through to Section 8 or rent-subsidized tenants.

During registration, an owner must claim the following exemptions every year and provide two proofs of residency (must match the property address – No P.O. Boxes will be accepted):

1. Unit Exemptions
   a. Owner-occupied Unit
   b. Manager-occupied Unit

2. Property Exemptions—Owner-occupied duplexes
   a. Owner must own and continuously reside in one of the units on the property BEFORE the tenant establishes tenancy in the other unit.

* Owners are not required to claim an exemption for rents below 70% of Fair Market Value. The portal automatically calculates the 70% threshold and won’t charge the owner. The Fair Market Values are published on the Division’s webpage.

Owners are required to report the following changes in the online residential registry system:

1. New Tenancy Amendment (within 30 days)
2. New Ownership Amendment (within 30 days)
3. Annual Rent Increase/Below Market Rent Increase Request
4. Notices (within three days of serving tenants or invalid)
5. Evictions

Residential Home Rehabilitation Programs

- **Minor Home Rehabilitation Grant Program**
  The City of Inglewood Community Development Block Grant (CDBG) Division Minor Home Rehabilitation Grant Program is provided to correct minor code violations and alleviate any health and safety problems in the home. Financial assistance is provided in the form of grants up to $15,000 to income qualifying, owner-occupied, single-family homeowners. For more information contact the CDBG Division at (310) 412-8844 or visit [https://www.habitatla.org/how-to-apply/home-repair-program](https://www.habitatla.org/how-to-apply/home-repair-program).

**Fair Housing Counseling**

The City of Inglewood contracts with the Southern California Housing Rights Center to provide fair housing counseling to City of Inglewood residents at no charge. If you have questions about emergency eviction protections, rental assistance and resources, fair housing rights for families, immigrants, disability accommodations, and more, please contact the Southern California Housing Rights Center by calling 800-477-5977 or you may visit their website at [https://www.housingrightscenter.org](https://www.housingrightscenter.org).

Rental Assistance Programs

- **Housing Choice Voucher Section 8 Program**
  The Inglewood Housing Authority administers various Section 8 Rental Assistance Vouchers, such as, the Housing Choice Voucher (HCV), the Veterans Affairs Supportive Housing (VASH) voucher, the Mainstream Voucher Program, and Emergency Housing Voucher (EHV). The Section 8 Rental Assistance Voucher Program is federally funded through the Department of Housing and Urban Development (HUD). Rental assistance is paid on behalf of eligible households.
  Participants should expect to pay 30% to 40% of their income towards rent. All units leased with Section 8 assistance must meet federal housing quality standards and be inspected at least biennially. Approximately 1,200 households in the city are receiving assistance under the program. For more information, contact the Inglewood Housing Authority at (310) 412-5221 or visit [www.cityofinglewood.org/162/Housing](http://www.cityofinglewood.org/162/Housing).

- **Project Based Vouchers**
  The Project Based Voucher (PBV) Program is a component of the Housing Choice Voucher (HCV) Section 8 Program and allows rental assistance to be attached to a specific unit and/or project instead of to an eligible assisted family. You may be eligible if you have income below 50% of the Area Median Income referenced in the Inglewood Housing Authority website. Currently, the City offers PBV assistance at the following locations: 716 W. Beach Avenue, Inglewood 90302 | 512 Centinela Avenue, Inglewood 90302.

- **Special Purpose Vouchers**
  The Inglewood Housing Authority also administers various special purpose vouchers that include Veterans Affairs Supportive Housing (VASH) Vouchers, Emergency Housing Vouchers (EHVs) and Mainstream Housing Vouchers. Both EHV and VASH Vouchers are administered via a referral system by our local service providers.

  **VASH** - If you are a Veteran and are interested in a VASH voucher, you should contact the local Veteran’s Administration office at (310) 478-3711.

  **EHVs** - Authorized by the American Rescue Plan Act of 2021 (Public Law: No. 117-2). Emergency Housing Vouchers are special purpose vouchers designed for people experiencing homelessness. If you are interested in the EHV, you should contact the Los Angeles Homeless Services Authority (LAHSA) for an assessment at (310) 683-3333.

  **Mainstream Housing Vouchers** - Authorized by the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) (Public Law: No. 116-136). In 2021, the Inglewood Housing Authority was awarded 75 Mainstream Vouchers. The referrals for the Mainstream program come directly from the Inglewood Section 8 waiting list. Please visit the Inglewood Housing Authority website [https://www.cityofinglewood.org/162/Housing](http://www.cityofinglewood.org/162/Housing) for updates on when the Section 8 waiting list will open.

- **HOME Programs**
  The U.S. Department of Housing and Urban Development (HUD) allocates Home Investment Partnerships Act Program (HOME) funds by formula to eligible state and local governments, including the City of Inglewood, to strengthen public-private partnerships to provide more affordable housing.
  The City utilizes HOME funds to expand the supply of decent, safe, sanitary, and affordable housing to very-low to moderate-income persons. This is accomplished through implementation of housing programs and projects that provide assistance in the form of loans or grants. For more information, contact the City of Inglewood Community Development Block Grant Division at (310) 412-8844 or visit [https://www.cityofinglewood.org/163/Community-Development-Block-Grant-CDBG](https://www.cityofinglewood.org/163/Community-Development-Block-Grant-CDBG).
BICYCLE REDISTRIBUTION PROGRAM

The City of Inglewood and Republic Services are teaming up to provide Inglewood residents with a Bicycle Redistribution Program. Republic Services will accept bicycle donations at the local Inglewood office to refurbish, repair, and redistribute to Inglewood residents in need.

Inglewood Guide to Home Mechanics

Shade Tree Mechanic Home Car Repair can save money and be a rewarding hobby, but it often involves using toxic chemicals and can be a major source of pollution. Rainfall can easily wash vehicle fluids off yards and roads and harm rivers and the ocean. Auto fluids, when improperly handled or disposed of, can cause pollution to local groundwater as well. Many vehicle chemicals are toxic to fish and wildlife, and the oil from just one automobile engine can produce an eight-acre oil slick!

Here are some tips that can reduce pollution:

- Use drip pans to catch leaking or draining fluids.
- Check your vehicle regularly for leaks and repair leaks promptly.
- Place absorbent materials or cardboard below the work area.
- Repair or refuel your vehicle over an impervious surface such as a concrete floor.
- Always use a funnel when adding fluids to your vehicle.
- Never use waste motor oil or gasoline to kill weeds.
- Never dispose of car fluids on the ground, in the trash, or in a storm drain.
- Recycle your motor oil, drained oil filters, spent solvents, used antifreeze, and car batteries.
- Place all used absorbent oil rags in a sealed, leak-proof container. Dispose of absorbents properly.
- For a large spill, call the City of Inglewood’s Environmental Services Division. They will assist you with cleanup help: 310.412.5333.
- For automotive fluid recycling and safe disposal you can take your used motor oil and filters to a Certified Collection Center in the City of Inglewood. To find a center near you please call: 888.CLEAN.LA (888.253.2652)

Holiday Collection Schedule

Republic Services does not provide trash/recycling services on these holidays:

- NEW YEAR’S DAY
- MARTIN LUTHER KING JR. DAY
- MEMORIAL DAY
- FOURTH OF JULY
- LABOR DAY
- THANKSGIVING DAY
- CHRISTMAS DAY

If one of these holidays fall on your collection day, your service will be delayed for the entire week. For example, Monday’s collection will be collected on Tuesday, Tuesday’s collection will be collected on Wednesday and so on. Your service will resume its regular collection schedule the following week.

Let’s STOP The Scavenging!

Dumping and Scavenging is Illegal!

Don’t Dump… Call! It’s FREE!

SCAVENGER = Someone who searches and removes useful discarded materials from waste carts! Violators shall be punished by a fine not exceeding one thousand dollars ($1,000) or by imprisonment in the City or County jail for a term not exceeding six months or both. For more information regarding this matter, please call our anti-scavenger HOTLINE: (310) 412-8622.

Leaving trash and junk in alleys and other public spaces creates blight and is dangerous. Illegally dumped waste can lead to increased accidents and crime as well as reduced property values and quality of life for residents.

If you witness illegal dumping, report it immediately by calling Republic Services’s Customer Service at (800) 299-4898 or the City of Inglewood at (310) 412-5333 during office hours; after hours call (310) 412-5251.

Special Collections — Bulky and Illegally Dumped Items can be picked up with a 24-hour notice. Republic Services (RS) will pick up your bulky items at NO additional charge on your regularly scheduled service day. Please call RS Customer Service at (800) 299-4898 to arrange for a pick-up.

Acceptable Bulky Item Examples: Furniture (e.g., mattresses, box spring, desk), stove, washers, garage door openers and water heaters. PVC pipes, wood and metal must be bundled (4” inches in length and 18” in diameter) and not heavier than 35 lbs. Bulky items cannot exceed 200 lbs. each.

Non-Acceptable Bulky Items: Household Hazardous Waste (HHW) (e.g., paint, tires, oil and batteries), TVs, microwave ovens, monitors, computers, car motors and parts, spas, pianos, camper shells, and cast iron bathtubs.

For additional information and also for more information on how to dispose of household hazardous waste, please visit our website at www.cityofinglewood.org or contact Republic Services’s Customer Service at (800) 299-4898.

Alert SouthBay

The City of Inglewood and 12 other South Bay cities have launched Alert SouthBay, a regional emergency notification system. Alert SouthBay is an opt-in alert system using the Everbridge software application. Everbridge sends notifications via email, text message, cellular and landline phones. Users can subscribe to receive alerts from multiple South Bay cities. If you live in Inglewood, for example, but work in Gardena, you can subscribe to alerts from both cities!

Everbridge will act as the City’s primary vehicle for emergency communication. It will be used for a range of notifications, from traffic alerts due to roadwork, water main breaks or policy activity, to critical emergency communications, such as shelter-in-place or evacuation notifications.

Users can sign up by:

- Texting “INGLEALERTS” to 888-777, which returns a link to register for Everbridge.
- Registering online at alertsouthbay.com.
- Downloading the free Everbridge app on an iOS or Android device from the App Store or Google. Play. Select “Find and organization or subscription” and search “INGLEALERTS”.

For more information about the Alert SouthBay system, visit alertsouthbay.com.
Citywide Permit Parking Program

NEW CITYWIDE PERMIT PARKING PROGRAM WILL:
- Preserve and protect quality of life
- Alleviate traffic increasing in neighborhoods
- Minimize non-residential parking intrusion
- Preserve safe and clean neighborhoods
- Reduces the need for residents to compete for on-street parking
- Offer 24 hours 7 days a week parking restrictions
- Offer 2-hour parking limit without permits for visitors and guests

Questions: Please contact the Parking & Traffic Department via email at permitparking@cityofinglewood.org or by phone at (310) 412-5398

Be Advised,
NO PARKING Street Signs are CHANGING!

The City of Inglewood is reducing the hours for street sweeping and trash pickup. The new hours will be from 7:00 AM to 1:00 PM (currently 8:00 AM to 3:00 PM). This change is being made to allow for more on-street parking.

GENERAL OVERVIEW
Currently, the parking restriction throughout most of the city is 8:00 am to 3:00 pm. The parking restrictions were established long ago before modern technology was implemented to enhance servicing.

With households having larger family sizes with more vehicles per household, parking demands in the neighborhoods are taxing the quantity of spaces along residential streets.

After much consideration and planning, for both trash collection and street sweeping services, the City has secured new servicing hours; going forward No Parking will be from 7:00 am to 1:00 pm. The signage will reflect the new parking restricted times. The changes will provide sufficient time for both street sweeping and trash collection to be provided efficiently.

ACTION REQUIRED
Please note — The signage is now being installed in the North/West corridor of the city. Continual rollout of signage installation for all streets will be completed by the end of the year.

Residents are required to have their trash (black)/recycle and (blue)/greenwaste carts (organics) out for collection by 7:00 am on their service day, as well as not have any vehicles parked at the curb during the posted hours. Vehicles parked in violation of the posted hours noted on the signs will be subject to citation; however during the change a grace period will be in effect. Any questions regarding this information should be directed to the Public Works Department at 310.412.5333.
