SECTION 1.

Pursuant to the California Environmental Quality Act, Public Resources Code, Section 21000, et seq. (CEQA), the City prepared an Environmental Impact Report (EIR) for the Inglewood Basketball and Entertainment Center (State Clearinghouse No. 2018021056), which analyzed environmental impacts of the proposed project and the associated entitlements, including this Zoning Code Amendment. Prior to making a decision on the Zoning Code Amendment, the City Council reviewed and considered the EIR and pursuant to Resolution No. 20-105 (City Council EIR Certification Resolution) certified the EIR, made certain environmental findings, adopted a Mitigation Monitoring and Reporting Program, and adopted a Statement of Overriding Considerations for significant and unavoidable impacts of the Project that would remain even with the implementation of necessary mitigation measures specified in the EIR.

SECTION 2.

Based on the entirety of the materials before the City Council, including without limitation, agenda reports to the City Council and Planning Commission; the EIR and all appendices thereto and supporting information; Planning Commission Resolution No.1871; City Council Resolution No. 20-105 (EIR Certification Resolution) including the CEQA Findings and Statement of Overriding Considerations and MMRP attached as Exhibits B and C thereto; all plans, drawings, and other materials submitted by the Project Sponsor; minutes, reports, and public testimony and evidence submitted as part of the Planning Commission’s and City Council’s duly-noticed meetings regarding the IBEC Project; the record of proceedings prepared in connection with AB 987 pursuant to Public Resources Code section 21168.6.8; and all other information contained in the City’s administrative record concerning the Project (collectively, the Record), which it has carefully reviewed and considered, the City Council finds as follows:
1) That the proposed Zoning Code Amendment will be consistent with the
Inglewood General Plan, the Industrial land use designation, and the
Inglewood International Business Park Specific Plan, as each is
amended, for the reasons set forth in Exhibit D to (General Plan
Consistency Analysis) to City Council Resolution No. 20-106 (General
Plan Amendment Resolution), which are incorporated herein by
reference, and will support, among others, the following objectives:
a. Provide for the orderly development and redevelopment of the City
while preserving a measure of diversity among its parts.
b. Help promote sound economic development and increase
employment opportunities for the City's residents by responding to
changing economic conditions.
c. Promote Inglewood's image and identity as an independent
community within the Los Angeles metropolitan area.

2) A change to the text of Chapter 12 to establish regulations for the
Sports and Entertainment Overlay Zone will not constitute the
establishment of unique standards, offering special privilege to a
particular individual or group of individuals, that is inconsistent with
the general intent of the provisions of the Planning and Zoning Code
or that may be detrimental to the general welfare of the community,
for the reasons set forth in Planning Commission Resolution No. 1871
(Zone Change and Zoning Code Amendment Resolution), which are
incorporated herein by reference.

3) That an EIR has been prepared for the IBEC Project, including the
proposed Zoning Code Amendment, and was certified by the City
Council prior to approval of Zoning Code Amendment ZCA-2020-002.
The City Council certified the EIR and adopted CEQA Findings
including a Statement of Overriding Considerations for significant
and unavoidable impacts of the Project that would remain significant even with the implementation of all feasible mitigation measures specified in the EIR, and adopted an MMRP for the Project in accordance with CEQA as provided in City Council Resolution No. 20-105 (EIR Certification Resolution).
