SECTION 1. A new Section 2-168.1 entitled "Military Equipment Use Policy" is
hereby added to Chapter 2 of the Inglewood Municipal Code to read as follows:

Section 2-168.1. Military Equipment Use Policy.

(a) The City Council has made the following determinations:

(1) The military equipment inventoried and presented to the City Council is
necessary because there is no reasonable alternative that can achieve the
same objective of officer and civilian safety.

(2) The proposed military equipment use policy ("Policy") will safeguard the
public's welfare, safety, civil rights, and civil liberties.

(3) The equipment is reasonably cost effective compared to available alternatives
that can achieve the same objective of officer and civilian safety (if any).

(4) Prior military equipment use complied with the applicable equipment use
policy (which included equipment now defined as military equipment) that was
in effect at the time, or if prior uses did not comply with the accompanying
military equipment use policy, corrective action has been taken to remedy
nonconforming uses and ensure future compliance.

(b) The Police Department has submitted a proposed Policy to the City Council and
has made those documents available on the Police Department's website for at
least 30 days prior to the public hearing concerning the military equipment at
issue.

(c) The Policy was considered by the City Council as an agenda item in an open
session of a regular meeting, noticed in accordance with the Ralph M. Brown Act,
at which public comment was permitted.

(d) The Policy shall be made publicly available on the Police Department's website
for as long as the military equipment is available for use.
(e) The Police Department shall submit an annual military equipment report to the 
City Council, containing the information required in Government Code Section 
7072, and the City Council shall determine whether each type of military 
equipment identified in that report has complied with the standards for approval 
set forth in subsections (a)(1) - (4) above.

(f) The City Council shall review this ordinance, and vote on whether to renew it, on 
an annual basis at a regular meeting, in accordance with Government Code 
Section 7071(e)(2).

(g) The City Council approves the use of the Policy and finds that it satisfies the 
requirements of Government Code Section 7070(d).

SECTION 2. The City Council finds the approval of this ordinance is not subject 
to the California Environmental Quality Act ("CEQA") pursuant to CEQA Guidelines 
Sections 15060(c)(2) (the activity will not result in a direct or reasonably foreseeable 
indirect physical change in the environment) and 15060(c)(3) (the activity is not a project 
as defined in Section 15378) of the CEQA Guidelines, California Code of Regulations, 
Title 14, Chapter 3, because it has no potential for resulting in physical change to the 
environment, directly or indirectly. Alternatively, the City Council finds the approval of 
this ordinance is not a project under CEQA Regulation Section 15061(b)(3) because it 
has no potential for causing a significant effect on the environment.

SECTION 3. If any section, subsection, sentence, clause, phrase or word of this 
Ordinance is for any reason held to be invalid by a court of competent jurisdiction, such 
decision shall not affect the validity of the remaining portions this Ordinance. The City
