**ASSISTANT CITY ADMINISTRATOR/  
 PUBLIC WORKS DIRECTOR**

# PUBLIC WORKS

## STATEMENT OF OBJECTIVES

### GENERAL OBJECTIVES

Provide planning and administration leadership for Public Works programs which include engineering for capital projects, traffic control and parking operations, maintenance of municipal buildings, public streets, sanitary sewers and storm drains, maintenance of fixed and rolling equipment. Contract administration for major facilities. Provide and distribute high quality water, and provide contract coordination for the collection and disposal of solid waste. Provide maintenance and repair activities, such as graffiti abatement, for community beautification services. Coordinate and administer construction related activities for the Aircraft Noise Mitigation Program.

### FY 2004-2005 PROGRAM OBJECTIVES

(1) Continue efforts to reduce energy costs throughout the City of Inglewood; (2) continue the development of park facilities, play equipment and playgrounds; (3) continue to produce and purchase high quality potable water; (4) continue to promote active safety programs in all sections of the agency; (5) coordinate public works and transportation planning in concert with other government agencies; (6) develop waste reduction and recycling components in compliance with State mandates; (7) ensure safety of staff, contractors and property owners; (8) establish goals for each unit, and provide the highest quality interdepartmental and community service; (9) establish training programs for all sections of the agency; (10) improve transportation service to the senior/disabled population of the community; (11) maintain a valve and fire hydrant maintenance program as required by the Insurance Service Office; (12) oversee the design and construction of capital improvement projects; (13) promote community beautification and foster neighborhood preservation through responsive and professional blight mitigation and eradication activities; (14) provide property owners with information throughout the construction process, and act as a liaison between property owners and contractors; and (15) educate, eliminate, and continually monitor trash and other substances (other than water) that drain into the City's storm drains and ultimately into the ocean through the National Pollutant Discharge Elimination System (NPDES) Program.
